The Casey-Shattuck Addition to Juneau is the spot where opportunities are afforded to anyone who desires a home.

THE CONSIDERATION on these lots are right, and the payment required to obtain a contract can nearly be left to the purchaser.

I have been dealing in Realty for many years, but never heard that of a purchaser making his own payment and terms. I wish to tell you don't let this opportunity slip by, as the time is not far off when you have to pay more, and the terms will be like other places 1-3 cash; balance in 1 and 2 years.
