

PUBLIC RECEPTION FOR NEW ST. ANN'S

Great preparations are under way for the celebration marking the official opening of the new St. Ann's hospital building here Thursday night. There will be a public reception managed by the ladies of Juneau and a program of exercises. This afternoon, by special invitation from Sister Superior the ladies of Juneau met in the old hospital building for the purpose of making arrangements for the reception.

A committee headed by E. J. McKinnis is busy making arrangements for the exercises that are to take place on the evening of the reception. A program of entertainment is being prepared for the evening of the reception that will be announced tomorrow.

A great deal of interest is being taken in the matter by the Juneau public and there promises to be a very large attendance.

Tomorrow morning the matter of removing the patients from the old building to the new will be commenced and every patient will be domiciled in the new home by Thursday night.

GRANDALLS PLEASE BIG AUDIENCE JUNEAU THEATRE

Juneau theatre played to a packed house last night. "The Girl and the Dog" a playlet that is bubbling over with fun, was enthusiastically received. A beautiful English bull dog figured prominently in this striking sketch and he also came in for his share of attention. There were also four good reels of feature films that were highly entertaining.

The same show will be given tonight and tomorrow night with a complete change for Wednesday night.

From this time on the Juneau will present vaudeville and motion pictures interspersed for each evening's entertainment. For Wednesday the 3-reel feature, "The Message from Headquarters," and a good Keystone comedy in conjunction with the Grandalls in vaudeville promises a good show.

Friday night is amateur night. Those wishing to contest for the cash prize should call at the theatre at 2 p. m. Wednesday. ***
