**Founding Of PTA Celebrated With Group Open House**

Open House was held by the Kodiak PTA at the Downtown Elementary School and the Main Elementary and Highschool last Thursday evening. From 7:00 to 8:00 teachers and parents met in the classrooms to view the different phases of school work being done by each class. Each room had prepared interesting displays and each child showed his parents work from his own desk. The regular PTA meeting was held after the Open House in the Main School auditorium and featured a Founder's Day Program.

Mrs. Basil Clark opened the program with an interestingly prepared history of the Kodiak PTA. Following this review, Mrs. Robert Dawson, Highschool principal, awarded a \$50 bond to George Kemper as second prize in the statewide Alaska Native contest for dental health posters. In recognition of their work, past PTA presidents were honored. Those present and recognized were Mrs. Stanley Alvine, Mrs. Lloyd Cannon, Mrs. Basil Clark, and the presiding president, John L. Howard.

Mrs. Charles Coker played a tape recording, telling the life histories of the founders of PTA, Alice McLellan Birney, and Phoebe Apperson Hearst. In conjunction with this theme a short skit was presented in a reminiscent mood by members of the PTA and its

Executive. Sitting as vignette of the first days of PTA were Mrs. John L. Howard and Mrs. Robert R. Parker. Those taking part in the skit were PTA President John L. Howard, Mr. and Mrs. Charles Coker, I.O. Gillbeath, Mrs. A.L. Dickow, Mrs. H.H. Long, Mrs. Stanley Alvine, and Mr. George Wick. Finale of the skit was the lighting of candles on the PTA Birthday cake, each candle representing one of the aims and purposes of PTA.

After adjournment everyone met in the cafeteria where refreshments were served by the Fifth Grade Mothers. It was announced later that the room count of parents attending Open House gave Miss Dandeneau's 5th grade room the prize for largest attendance. The PTA prize was \$10 to be used by the room showing the largest count.
