

REAR Admiral and Mrs. Henry H. Caldwell, USN, pose for their first picture in Alaska between Rear Admiral and Mrs. Arnold W. McKechnie, USN, a few minutes after landing at the U. S. Naval Station, Kodiak, Alaska, Tuesday, March 29. RADM Caldwell will relieve RADM McKechnie as Commander, Alaskan Sea Frontier and Commandant 17th Naval District in ceremonies at Kodiak on Saturday, April 2. Caldwell was Commander, Carrier Division ONE prior to receiving his Alaskan assignment. The McKechnies will depart Kodiak after the change of command for the U. S. Naval Air Station, Glenview, Ill., where he will assume duties as Chief of Naval Air Reserve Training.

DEEP SHELTER—Dr. Glenn Havens, 53, industrial physicist, rear, and sons Gary, 9, and Ralph, 15, are shown in the 9-room shelter dug beneath their San Diego home over a period of 11 years. The rooms are 70 feet beneath the hillside site and connected with three ground entrances by an estimated 500 feet of tunnels.
