

## '60 Senior Play Features Comedy

"January Thaw," high school Senior class play, is now in rehearsal, and is scheduled for presentation Friday, April 22.

Miss Helen Pruessing is again directing the play, a comedy, which according to advance notices, is said to be "genuinely funny." The plot concerns a city-bred family that has bought and restored a fine old Colonial house in Connecticut, and the difficulties occasioned when the supposedly deceased owner, as crusty and taciturn a Connecticut Yankee as ever voted for Calvin Coolidge, returns with wife and handsome son to live in the ancestral abode. There follows a battle of wits between the two families.

Miss Pruessing has directed the Senior plays for the past several years. Many of them have scored heavily for comedy, acting ability and direction. Tickets will go on sale two weeks before the open-

ing presentation April 22. Adult tickets are \$1 and children's fifty cents.

## Honor Society Inducts Members

New members will be inducted into the National Honor Society at a ceremony today (Friday), to be held at the high school auditorium at 2:30 p.m. All parents and friends of high school students are invited.

Selection for membership in this Society is one of the highest honors that can be attained in high school. All Juniors and Seniors having at least a "B" average, have been rated by their teachers as to their character, leadership, service and citizenship. Only those who rated high in all four areas will receive the coveted honor. Several Sophomores have been chosen in the same manner and
