Open Letter To Girl Scouts' Mothers and Dads

We want to take this means of thanking all of our parents and friends who contributed time and effort toward making our week at camp a success.

We appreciate Mrs. Turner's teaching us leather work and helping us paint and assemble our plastic birds, and Mrs. Talbot's teaching us how to make bracelets.

The swimming was wonderful, thanks to Rev. White who acted as lifeguard and made our Buddy Board.

We would also like to thank Mrs. Sutliff for making first aid interesting.

So many people, Mothers, Dads and friends helped that we cannot name them all. But thanks to you, Dads, who put up tents, carried water, chopped and sawed wood and guarded us at night.

Thank you, Mothers, for planning and buying, making and delivering our delicious food. And to all our families for attending Potluck on closing day. You did a wonderful job of cleaning up our hill.

Thanks to Bill Howard for playing Taps at night, and also the Senior Girl Scouts who came out and helped us.

Thank you, leaders, for planning and making our Girl Scout Camp possible.

MISSIONARY OFFICIAL VISITS IN KODIAK

Rev. Leo Schlegel, general administrative officer of American Baptist missionary work in Alaska, is visiting the Kodiak Baptist Mission this week. He plans to return to his headquarters in Anchorage Monday or Tuesday.

Last year cancer took the lives of more than 4,000 children under 15 years old. About half of them died of leukemia, which is a cancer of the blood-forming tissues. The American Cancer Society is supporting research in all phases of cancer. Give to the 1960 Cancer Crusade.
