## In Honor of Judge and Mrs. Brown

Mr. and Mrs. J. P. Rogers entertained last night in honor of Judge and Mrs. Brown. About 25 guests were present at the beautiful apartments of the host and hostess at the Pullen house. Euchre was played and the score cards were Indian totem poles in colors.

Mrs. R. W. Taylor was the victor in a drawing for the favor, an Indian tom tom. The nature of the favor suggested what proved to be the feature of the evening, an Indian war dance. Mrs. Wynn-Johnson manipulated the tom tom and Capt. Richardson and Dr. Rummell did their best as imitators of Chilkat braves. A delightful evening was spent. Refreshments were served.

## President Opposes Territorial Government for Alaska

In commenting upon the probability of the reappointment of governor Brady, Walter E. Clark, Washington correspondent of the P. I. says: "It has been represented to the president, however, that the governor has given an honest administration, and that honesty, when it can be found, goes a long way in Alaska; also, that the governor is an intelligent and progressive advocate of the best things for the territory."  
"He has aroused some bitterness in Alaska by his outspoken opposition to a territorial form of government; but this is not held against him by the president. Mr. Roosevelt believes the territory should be represented by a delegate in congress, but he is by no means committed to the idea of self-government for Alaska, and in fact he believes present conditions hardly justify it. In this respect, of course, he differs with many intelligent authorities, but in denying the wisdom of a territorial form of government he believes he is conserving the best interests of the Alaskans themselves."
