Strikers and Hobos Are Being Rounded Up Like Criminals and Sent Out of Cripple Creek District—Martial Law in Force

[Special Dispatch to Daily Alaskan.]

Cripple Creek, June 10.—After a night of terror, peace reigns, but the conditions are still of a volcanic nature and nobody believes the trouble has ended. A posse of 100 deputy sheriffs armed with rifles is scouring the hills of the district with the object in view of rounding up every Union man and every idler and taking them to the county lines, where they are warned not to return.

The union men are all armed and say they will resist deportation. Sheriff Roberts was forcibly taken to the headquarters of the mine owners

association and his resignation demanded. He at first refused. Finally a rope was thrown about his neck and he weakened and signed the prepared resignation. Sheriff Roberts is the sixth officer included in the arrests yesterday.

Martial Law for Cripple Creek

Denver, June 10.—Martial law was again declared in the Cripple Creek district yesterday. The camp is now quiet.
