### Nothing can be good for everything.

Doing one thing well brings success. Doan's Kidney Pills do one thing only. They're for sick kidneys. They cure backache, every kidney ill. Here is evidence to prove it. W. A. Howland, proprietor of Oxford Hotel, 414 1/2 AV. Ave., Seattle, says: "I was subject to kidney trouble for a number of years and during that time took different remedies recommended to me without much success, I came here from Leperte, Ind., some twelve years ago and have taken a paper from there ever since. Every now and again I read of people in that city who have been cured of kidney trouble by the use of Doan's Kidney Pills, and it was through mentally discussing these cases that induced me about a year ago to try the remedy. It gave me undoubted benefit at that time. Since then I noticed symptoms of a recurrence, the pills acted equally as well as they did when they first came to my notice."
