MISS HAUXHURST WINS KIRKSE CUP

Miss Florence Hauxhurst is the winner of the Kirkse cup having made the highest score to the credit of any lady at the Elks' bowling alley since the cup was offered early in October. Miss Hauxhurst's score, 165, was made some time ago. The last opportunity to beat it was given the ladies last night and many were present and many games were rolled, but Miss Hauxhurst remained the champion. She was awarded the cup by the house committee.

There is one other trophy to be played for by the ladies. That is the one for the best team of three. It is proposed to organize a tournament for that next month. It is given by P. E. Kern.

The cup which represents the best average by a team, which is probably the fairest test of the abilities of the bowlers, was won, as stated yesterday, by Mrs. P. W. Rowick. She won however, by a narrow margin. Her average score was 165, while that of Mrs. Hefele was 161.9 and Miss Hauxhurst, 160.33.

ANOTHER HUSBAND LOST IN ALASKA

Mrs. Sophia Schaub, of 2722 North Fifteenth street, St. Louis, Mo., asks the Daily Alaskan to assist in finding her husband. She writes:

"I would like to find the whereabouts of my husband, William A. Schaub, who left the United States in 1887 for Alaska. Could you give me any information about him? He is about 42 years of age now and has blue eyes and brown hair and weighs about 175 pounds. He has a scar over his right eye, two of his upper teeth on the right side are far apart. By finding him or giving any information you will do me and my children a great favor."

NATURE SPARES

The Stricken Hero From Grief.

What a fortunate provision of nature it is that enables the soul of mental suffering for long periods would be his grief to disappear, in the height of its blooming glory, that a cancer fed at its heart, and that its beauty and fragrances were doomed forever. Nature always spares the suffering; she is a veritable store-house of pleasing rewards, for those who seek her aid. In the years gone by falling hair and grayness have cost a fortune over the lives of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

COMFORTING WORDS

Many an Alaskan Household Will Find Them So

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Alaska readers.

Mrs. McCourt, of Tacoma, Wash., wife of Mr. C. A. McCourt, gardener by occupation, place of address corner Fortieth St., and Pacific Ave., says: "At intervals for five or six years I had attacks of kidney complaint. While they lasted my back ached severely. I lacked energy, trouble with the kidney secretions existed, dizzy spells occurred and I was far from being in good health. When I went for Doan's Kidney Pills the pain in my back was very pronounced. A week's use of them convinced me they were the very thing I needed and before I had finished the box the backache and all other symptoms of kidney trouble disappeared."

For sale by all dealers. Price 50 cents. Foster Milburn Co., Buffalo, N. Y., sole agents for the United States.
