CLEANLY WOMAN.

Erroneously Thinks by Scouring Her Scalp That She Cures Dandruff.

Cleanly woman has an erroneous idea that by scouring the scalp, which removes the dandruff scales, she is curing the dandruff. She may wash her scalp every day, and yet have dandruff her life long, accompanied by falling hair. The only way in the world to cure dandruff is to kill the dandruff germ, and there is no hair preparation that will do that but Newber's Herpicide. Herpicide by killing the dandruff germ, leaves the hair free to grow as healthy Nature intended. Destroy the cause you remove the effect. Kill the dandruff germ with Herpicide. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

A Chicago Alderman Over His Election to Chamberlain's Cough Remedy

"I can heartily and conscientiously recommend Chamberlain's Cough Remedy," says Hon. John Shonck, 220 So. Peoria St., Chicago. "Ten years ago during a political campaign, I caught cold after being over-exerted, which irritated my throat and I was finally compelled to stop, as I could not speak aloud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflammation had largely subsided. Took several doses that day, kept right on talking through the campaign, and I thank this medicine that I won my seat in the Council. This remedy is for sale by Kelly Drug Co."
