## Signal Men Rushed to the Interior

Twelve signal corps operators came North on the Dolphin yesterday, it being the intention of the government to get them to Fort Gibbon, at the mouth of the Tanana, before the close of navigation. The men are from different stations throughout the states and were assembled at Fort Lawton prior to their departure for the North.

Most of the men of the detachment have been in the service for some time and are experienced operators. They will go North on the train this morning. They arrived just in time to catch the last boat from Dawson down the river.

MacKay the second. Mrs. Peabody won first lady's prize.

### Clever Theatrical People

On the Dolphin yesterday were Mike Hooley and Mrs. Hooley, better known as Jennie Kilton. Both are theatrical people of note. They played here last winter when coming out from Dawson. ### Carter Not Talking

Former United States Senator Carter is in Seattle—but isn't talking politics. This is too bad—for otherwise he might explain why he raised political objections to the appointment of L. L. Williams as one of the Alaskan Commissioners to the St. Louis Exposition—a purely non-partisan institution.—Seattle Times.

### Ordinance No. 41.

An ordinance making it a misdemeanor to Construct or Maintain Sidewalks in a Condition Dangerous to the Life and Limb and Prescribing the Punishment therefor, and for other Purposes.

Be it ordained by the Common Council of the Town of Skagway:

SECTION 1. That the street commissioner shall exercise a supervision over all the sidewalks in the town of Skagway, and shall see to it that they are maintained in a safe and passable condition, so as not to be a menace to life and limb.

SECTION 2. That whenever in the opinion of said street commissioner, or of said common council, any sidewalk in said town is in a condition dangerous to life or limb, he, or they, shall give a notice in writing to the owner, or person having charge of the property abutting on or connected with said sidewalk: which said notice shall describe said sidewalk with sufficient certainty to enable same to be identified. Said notice shall inform said person that he is required to make said sidewalk safe and passable within ten days from the date of service of said notice. Said notice may be substantially in the following form:

To Mr. . . . . . You are hereby notified that the sidewalk in front of premises known as Lot . . . . . in Block . . . . . street in the town of Skagway is in a condition dangerous to life and limb. You are therefore required within ten days from and after the service upon you of this notice to make the same safe and passable; and if you fail or neglect so to do, you will be arrested and dealt with accordingly.

Street Commissioner, of said Town.

SECTION 3. That if the owner of, or person having in charge any property in front of, or connected with, which there is any such defective sidewalk, or sidewalks, shall omit, neglect or fail, for ten days after the service upon him of the notice aforesaid, to make the said sidewalk safe and passable, he shall be deemed guilty of a misdemeanor and shall upon conviction thereof by the municipal magistrate be fined in any sum not less than two (\$2.00) dollars nor more than one hundred (\$100.00) dollars; and in case of failure to pay said fine he shall be imprisoned in the municipal jail one (1) day for every two (\$2.00) dollars of such fine and costs.—UNLESS he shall make oath, in writing, before said magistrate that from lack of pecuniary means, he is unable to pay said fine.

SECTION 4. If said person having been so convicted shall pay the fine assessed by the magistrate, the latter shall at once deliver the amount to the city treasurer, by whom it shall be kept as a special fund, to be used by the town, towards defraying the expense of putting said sidewalk in a safe and passable condition.

SECTION 5. If the owner of the property be a non-resident of, and have no agent in the town of Skagway, or if the owner or person in charge having been convicted, takes the oath aforesaid, the town of Skagway, through its street commissioner, under and by direction of the council, shall make said sidewalk safe and passable; and the town clerk shall certify to the town treasurer the cost and expense of so doing; and the treasurer shall assess against any property of the owner the amount so certified. This ordinance shall take effect and be in force from and after its approval and passage.
