Phoebe Thrives on Air

SOMERVILLE, N. J. — 4-H Clubber Buck La Fever and his radio famous Zinnia's Phoebe are the first to enter in the All American Jersey Show and Jersey Junior Exposition set for Columbus in October. For six months Buck lifted "Phoebe" every day and once a week on a coast to coast radio hook-up. She grew from 75 lbs. to 365 lbs. in that time. Buck gained 3 pounds. The All American Show will be dairyland's first National production feature since the war. It is planned along non-profit, educational lines and staged to demonstrate the feasibility of an All Breed All American in 1947 properly spotlighting the Junior Dairymen of the land.
