

DO YOU HATE CHANGE OF LIFE? and HOT FLUSHES?

Do you suffer from hot flushes, nervous tension, upset emotions due to functional 'change of life' (38-52 years)—that period when fertility ebbs away, when embarrassing symptoms of this nature may betray your age? Then start taking Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. No other medicine of this type for women has such a long record of success. Taken regularly, Pinkham's Compound helps build up resistance against this annoying middle-age distress. Truly the woman's friend!

Note: Or you may prefer Lydia E. Pinkham's TABLETS with added iron. Any drugstore.
