In the United States Land Office at Juneau, Alaska, June 21, 1917.

NOTICE OF APPLICATION FOR PATENT.

NOTICE IS HEREBY GIVEN, That under and in pursuance of the Act of Congress of May 14, 1898, as amended by the Act of Congress of March 3, 1903, granting additional land to soldiers and sailors who served in the army and navy of the United States during the Civil War, the undersigned, Kennecott Copper Corporation, a corporation, the post office address and place of business of which said corporation is at the Town of Latouche, upon Latouche Island, in the Territory of Alaska, has made application for a patent to a tract of land situated upon the westerly side of Latouche Island, in the Territory of Alaska, containing 20.73 acres entered in the United States Land Office at Juneau, Alaska, under the serial number 02763, and surveyed and platted as United States Survey No. 713. The said Kennecott Copper Corporation has entered upon the said tract of land as the assignee of Henry J. Engell, who served in the army of the United States during the Civil War, from October 2, 1861, to October 10, 1864, in Company "I," 86th Regiment of New York Volunteers, and who received an honorable discharge from said service.

The said tract of land lies adjacent to the Town of Latouche, which said town lies upon the western side of Latouche Island, in the Territory of Alaska, and upon the easterly shore of Latouche Passage, at Latitude 60 degrees 03 minutes north, Longitude 147 degrees 54 minutes 50 seconds west, and the said tract is bounded upon the most northerly end by the Gravina lode mining claim, United States Survey No. 782, and by the White Wing lode mining claim, United States Survey No. 782; upon the westerly side by the Julia lode mining claim, United States Survey No. 584, and by the Creek lode mining claim, United States Survey No. 584; upon the southwesterly end by the Eagle lode mining claim, United States Survey No. 584, and upon the southeasterly side by the China lode mining claim, United States Survey No. 584. A more particular description of said tract is as follows: Beginning at Corner No. 1, from which Corner No. 1 United States Location Monument No. 1 bears south 87 degrees 20 minutes west, 25.55 chains distant, and from which Corner No. 1 Corner No. 4 of United States Non-Mineral Survey No. 712, concurrently entered by the Kennecott Copper Corporation, as assignee of the aforesaid Henry J. Engell, bears north 34 degrees 29 minutes west, 4.22 chains distant; thence south 27 degrees 57 minutes west, 22.82 chains following the southeasterly side line of Julia lode mining claim, United States Survey No. 584, and the northerly part of the southeasterly side line of Creek lode mining claim, United States Survey No. 584, to Corner No. 2; thence south 62 degrees 03 minutes east, following the northerly end line or boundary of Eagle lode mining claim, United States Survey No. 584, 9.09 chains to Corner No. 3, the said point being identical with the most northwesterly corner of Big Bonanza lode mining claim, United States Survey No. 584, and the most southwesterly corner of China lode mining claim, United States Survey No. 584; thence north 27 degrees 57 minutes east, 22.81 chains to Corner No. 4, the said Corner No. 4 being identical with the most northwesterly corner of said China lode mining claim, United States Survey No. 584; thence north 03 minutes west, following the most southerly end lines of White Wing lode mining claim, United States Survey No. 782, and Gravina lode mining claim, United States Survey No. 782, a distance of 9.09 chains to the place of beginning. Magnetic variation, 26 degrees 30 minutes east.

The foregoing description by metes and bounds is according to the official plat and field notes on file in the office of the Register of the Land Office at Juneau, Alaska, a copy of which said official plat is posted upon the land with this notice of application for patent.
