**PROHIBITION HAS NOT PERFORMED MIRACLES**

PHILADELPHIA, Jan. 12. (AP)—Expressing his belief that there is as much drunkenness now as before prohibition, Cardinal Dougherty asks for revival of total abstinence and temperance societies. "When the law of prohibition had been passed," he said, "it appeared there would be no further need for temperance or total abstinence societies. Unfortunately prohibition has not performed the miracles that had been expected."

**PLENTY OF FUNDS**  
LONDON, Jan. 12. (AP)—Work on the monster Cunard liner 534 was not suspended because of insufficient funds, Prime Minister MacDonald explained in a letter to W. Thorne, member of Parliament from Clyde. "The trouble is not to get the Cunarder built but to get the company to believe that when she is built, she can be run with some chance of paying her way," he said.

**MOVE TO OVERTHROW CHINA GOVERNMENT**

NANKING, China, Jan. 12. (AP)—Nanking's new government here which was formed a few days ago by the dictation of Cantonese from the south is attacked by a concerted move to overthrow it.

An outbreak of civil war appeared likely unless the government temporized with its opponents. Governors of nine provinces issued similar telegrams denouncing the new government.

The nine governors are supporters of Chiang Kai Shek, who was deposed as head of the National government in favor of the present regime.

**ANOTHER ESTIMATE**  
WASHINGTON, D. C., Jan. 12. (AP)—The government's deficit for the 1931 calendar year will be approximately \$2,350,000,000, according to computations from statistics for the last half of the 1931 fiscal year and first half of the 1932 fiscal year.

**THE FOURTH MEMBER**

**WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL**

And You'll Jump Out of Bed in the Morning Rinin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine. For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned. It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely. But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. © 1931 C. M. Co.
