

# LAW SUIT OVER STREET PAVING

LITTLE DOUBT NOW BUT THAT MATTER WILL BE TAKEN TO THE FEDERAL COURTS.

Resolutions Denouncing the Condition of the Street Passed at the Business Men's League Meeting.

The miserable condition of the Central avenue paving was made the subject of a resolution adopted by the Business Men's League last night after the subject had been thoroughly threshed out. It was evident from the statements made that neither the city administration or public men believe the controversy can be adjusted without resorting to the courts, and the matter will most likely be lodged in the federal court at Little Rock.

Mayor McClendon brought the matter to the attention of the league. He had received a letter from attorneys for the Barber Asphalt Company, which indicated that they were willing to hold a conference on the subject, but that they probably would take no further steps towards patching up the present paving.

The matter of a summer campaign of advertising was also taken up and generally approved in a discussion at the league, and the chairman was authorized to appoint a committee of four to get up the details of a plan of advertising. Chairman Williams deferred appointing the committee until today.

Mr. Callahan brought the matter of the advertising campaign to a focus, with a motion that a committee be named to arrange the details, and Mr. Waters believed that four men could make the arrangements better than a larger committee.

Secretary Belding reported that there was an opportunity to get the annual corn show, now being held in Houston, to Hot Springs next year. The matter had originally been taken up by Manager Lyman T. Hay of the Arlington and Eastman hotels, and there is a chance that this big gathering can be secured for Hot Springs in the future.

Alderman Williamson brought to the attention of the league that the Iron Mountain railroad had left its depot plans here with the city clerk, and that the railroad might not be urged further to make this improvement by the Arkansas railroad commission as long as the city or some representative organization had not refused the plans as submitted. He believed that it would be proper for the league to pass a resolution asking the council to reject the plans, and this was done. The council will take this up at a special meeting to be held soon.

Secretary Belding reported that he had talked with one of the state commissioners and he had read a letter from President Bush of the Iron Mountain in reply to Mr. Bellamy, stating to the commission that the plans were on file here.

It was reported that of the two big conventions soon to be held on Houston, the Rotary Club and the Travelers' Protective Association, Hot Springs would be visited by delegations. Many had indicated they would stop over.

When the International Ticket Agents' Association arrives here on March 20 they will be received by a joint reception committee from the Business Men's League and the Young Men's Chamber of Commerce, which will see that these visitors have a good time on the occasion of their visit.

A resolution was adopted favoring an extension of the city electric car line to the golf links. This matter is already before the public utilities company and it is very likely that it will receive favorable consideration.

A letter was read from President Del Potter of the Southern Highways Association asking the people along

this part of the route to get up the money pledged for the logging trip. President Waters of the Good Roads Association stated that Hot Springs and most other cities had already raised their money and were ready for the association to do its part and then make the demand for the money.

### NEW AUTO SPEED LAW.

New York, March 10.—Automobile speeders who accept jail sentences to avoid payment of fines no longer can escape with an hour or two under lock and key, as many did under former conditions. The board of aldermen today adopted a new speed ordinance to compel violators to spend at least one night in jail.

### UNEMPLOYED DISCHARGED.

New York, March 10.—All but ten of the 191 cases growing out of the arrests of unemployed members and leaders of the Industrial Workers of the World last week in St. Alphonse church had been disposed of tonight. Five of the men still facing trial are out on bail and the other five have forgotten the fictitious names they gave when arrested.

### ENGINEER GETS JOB.

Rochester, Minn., March 10.—Hugh L. Cooper, an engineer of this city, has been appointed consulting hydroelectric engineer for the Egyptian government, according to advices received here tonight. He will have supervision of the construction of a dam across the Nile, which, it is said, will be one of the largest in the world.

### WHOLESALE HOUSE BURNED.

Terre Haute, Ind., March 9.—Fire that started in the basement of the three-story building of the E. H. Blinley & Company, wholesale druggists, here tonight, destroyed that structure and damaged two adjoining buildings. It was estimated that the loss would exceed \$200,000.

### ATTACK IS DELAYED.

Vera Cruz, March 9.—The threatened rebel attack on the city of Tampico, which resulted in active preparations being made yesterday to defend the city by its garrison of 1,500 men, proves to have been a false alarm, probably based on skirmishes near Altamira, ten miles away.

### PHILANTHROPIST DEAD.

San Bernardino, Cal., March 10.—J. W. Ellsworth, who spent a life time and \$250,000 in charity work on the Pacific coast, died here today, penniless and a victim of tuberculosis. He was 82 years of age.

# HIS CASE HOPELESS MOST FRIENDS THOUGHT

COULD NOT EAT OR SLEEP. A FRIEND ADVISES BLACK-DRAUGHT, WHICH DOES THE WORK.

Pomeroyton, Ky.—This town is the home of Mrs. A. J. Hughes, whose condition for five years was such as led him, as well as most of his friends, to believe that he could not recover. Mr. Hughes now says: "I was down with stomach trouble for five years, and would have sick headache so bad, at times, that I thought surely I would die. My condition was such that I could not eat or sleep. I tried many different medicines, but they did me no good. Nearly all my friends thought I would die, but one of them advised me to take Theodore's Black-Draught. I followed his advice with but little

faith. However, I have now taken Black-Draught for three months, and can truthfully say that I am well. I haven't had sick headache any more, and feel so thankful for what Black-Draught has done for me." This reliable, vegetable remedy has been in successful use for three quarters of a century. To purify the blood, renew the appetite, regulate liver, stomach and bowels, we urge you to try it. Why suffer, when the same relief that Mr. Hughes found, is within easy reach of you? At every drug store. Only costs one cent a dose. Try it. Begin today.

## RAILROAD CERTAIN TO BE ON TIME

PRESIDENT CALLAHAN MAKES A PERSONAL TRIP OVER THE ROAD TO MAKE SURE.

St. Patrick Celebration is Making Splendid Progress as the Enthusiasm of the Occasion Spreads to All Parts.

That the Memphis, Dallas & Gulf railroad will be able to deliver its first train into Hot Springs in ample time for the big celebration by the Young Men's Chamber of Commerce on St. Patrick's day was made certain by President George Callahan of that organization yesterday when he and other members made an inspection of the progress the road was making.

"The steel rails are laid now within less than a mile of the Central avenue crossing," said President Callahan last night, "and I am certain that every foot of the steel rails will be laid by Friday at the latest. The railroad is working a large force of men and the laborers are singing and driving spikes with a precision of time that means for certain results."

Last night President Callahan appeared before the Business Men's League and tendered that organization his personal invitation in behalf of the Chamber of Commerce to take an active interest in the making of this "Arkansas Booster Day" one grand success. His invitation was accepted and the league will contribute its part to the success of the occasion.

Mayor McClendon was present last night at the meeting of the Business Men's League and announced that he would issue a proclamation for a holiday St. Patrick's day, from 10 o'clock in the morning until 4 o'clock in the afternoon. He believed that this would cover the situation, but that many of the stores would not open. This proclamation will be formally issued today, with the signature of the mayor appended.

This morning a committee of young men from the Young Men's Chamber of Commerce will go out to get a petition signed for the closing on this day. Every merchant who signs the petition will be given a large sign, printed in green ink, to be placed in his window, to prove his patriotism, and incidentally to boost the day in advance, and on this sign is printed: "We are boosters. This store will close St. Patrick's day, March 17."

The various committees yesterday reported progress in all the detail of their work. Reading notices of the St. Patrick day celebration were sent to 240 papers in Arkansas, the list being taken from the state fair list of papers. Two-thirds of these papers will use the story that is mailed them, giving the day wide publicity throughout the state.

Friday afternoon at 5:30 o'clock, the Memphis, Dallas & Gulf railroad will send 500 copies of the handsome souvenir program of the occasion out on the line of the new railroad, to be distributed in the towns where interest will be stirred. This will contain a full program of the entertainment features of the day, and will also be distributed to all visitors at incoming depots on St. Patrick's day.

### PASS SUFFRAGE BILL.

Boston, March 10.—The proposed amendment to the constitution to give women the right to vote, passed the senate today. This is the first time such an amendment ever has passed either branch of the legislature. It now goes to the house but before it can become a law, must be acted upon favorably by two successive legislatures and then be accepted by the voters.

## "CANDY DAY" AT THE PRINCESS THEATER

EVERY LADY AND CHILD WILL RECEIVE A SPLENDID GIFT AT TONIGHT'S SHOW.

Today is "candy day" at the Princess theater. At the night show every lady and child attending will receive a gift box of Frust & Kraemer's chocolates and bon bons, the finest confection on earth.

This will be a feature of the Princess theater every Wednesday matinee and every Saturday night hereafter.

The management has been enabled to offer this splendid gift to the ladies and children through a fortunate combination of circumstances. The candy will be absolutely fresh on every "candy day," and the Princess urges every woman and child in the city to attend on these days and be the recipient of a splendid box of this choice confection.

Candy day will hereafter be designated in the advertisement and notices, so watch for the announcement.

## TWO CLASSY BOUTS AT WHITTINGTON PARK

MOTTO AND MINOR IN RETURN BOUT, BOB SANGSTER AND KID LEWIS IN PRELIMINARY.

Two of the classiest boxing bouts of the season will be held at Whittington Park theater tonight, when Joe Motto of Cleveland and Battling Minor of Memphis meet in a return ten-round battle, to settle the former drawn battle between these two splendid fighters two weeks ago. In their last bout it was nip and tuck and both are confident that in the second

JOE MOTTO, of Cleveland. Who meets Battling Minor at Whittington Park Theater tonight.

meeting there will be either a decision or a sleep punch.

Bobby Sangster of Hot Springs will go six rounds with Kid Lewis, of Denver, and this will be a battle from the first going to the close, at whatever stage of the battle the end may come. These bouts will be preceded by some splendid preliminaries, making at least 20 to 24 rounds of classy boxing, and every bout staged by the Vapor City Athletic Club will be all to the class. You always see the best here, so come. (Adv.)

### A DELIGHTFUL NEW SENSATION.

If you want to experience a delightful new sensation, use Rexall Camphorated Cold Cream. The exquisite sense of coolness and comfort it gives cannot be described in any way that will do it justice. You must use it to appreciate it.

In Rexall Camphorated Cold Cream we have for the first time a toilet preparation embodying all the cooling, healing properties of camphor with a pure, white cold cream of such high degree that even without the camphor it would be a delightful and elegant toilet preparation.

Rexall Camphorated Cold Cream is bound to become a favorite with you once you have used it. It is a new thing. We want you to try it, with our promise that if it does not please you and give you satisfaction in every way—your money back. Price, 25 cents. Sold in this community only at our store—The Rexall Store—R. G. Morris, 802 Central Ave. and The Public Drug Co. 202 Ouachita Ave.

### SPECIAL ASSESSMENT.

Collector's Office Improvement District No. 32.

The tax books for the collection of the special assessment on the property in district No. 32 for the purpose of paving have been placed in my hands. All owners of real property lying within the district are required to pay their assessment to me within thirty days from this date. If such payment is not made, action will be commenced at the end of that time for the collection of said assessment and for legal penalties and costs.

Given under my hand this 21st day of February, 1914.

SAM J. DAVIS, Collector.

### NEW BAKERY OPEN.

The Erhart Bakery, on Malvern avenue, has been rebuilt and equipped newly throughout. It is now open to the public and the proprietors announce that they are ready to take care of any and all calls. They will make the same effort as in the past to please their patrons. 3-6-14
