

WE INTEND TO CHANGE OUR BUSINESS.

1898 Must Show a Much Larger Increase than any Previous Year. We Shall Add Many New Things to our Already Large Stock, While Some Departments Must be Reduced.

CLOTHING.

This is one department that has taken too much of our valuable space; we have quite a large stock of Winter Clothing still on hand. We would like to sell every suit, and our prices were made so as to move them at once. If you are interested in the purchase of a suit of clothes for yourself, boy or child, or an overcoat for one of the family, we would esteem it a favor to give us a look. We are showing a line of men's suits at \$8 that would be cheap at \$12.50, they are extra well made perfect fitting, sewed with silk, material the best of all wool cheviots or cassimeres. We also have cheaper and higher priced suits, but all marked low enough to make it a good investment for next fall.

OVERCOATS—Our lines of \$7 overcoats in blue, brown or black beaver will give extra good wear, they are lined with best of Italian lining piped with satin and silk sleeves. They are made by a high-class clothing house and low at the price.

BED SPREADS.

We have a few slightly soiled white spreads, these must go at once, \$4.00 spread for 2.25; 3.00 spread for 1.75; 2.50 spread for 1.35. These are the biggest bargains yet offered by us.

DRESS GOODS

Plaids, ten Pieces all We Have Left of This Lot, Reduced From 12c to 9c.

SHOES.

As already stated we have marked down our entire stock of Winter Shoes, men's, ladies' and children's. We are showing a large line of the latest designs in the shoemaker's art and warrant every pair of shoes we sell to be solid leather and to give entire satisfaction, both as to material and workmanship.

MEN'S SHOES—Banister's and Rockland's are the best men shoes that we carry, our regular price on these shoes is \$5, \$5.50 and \$6, this lot has been reduced to **\$3.00.**

LADIES' SHOES—The season for low quarters will soon be here, hence the importance of our closing our stock of high shoes, either lace or button. At \$1.50 we are showing about 15 styles, any toe, Coin, Common Sense or Needle, lace or button, heel or springheel, any size, and every pair warranted to give entire satisfaction.

LADIES' KID GLOVES.

A feast for bargain hunters, this week an entire line of blacks or colored, hooks or buttons, at 75c, well worth \$1.25. An entire line of high class kid gloves, buttons or clasps, black or colored, \$1; this is our regular \$1.50 quality, and cheap at that.

EMBROIDERIES and EDGING.

We would call the special attention of the ladies of Pine Bluff and vicinity to the fact that we have just opened an entire new line of carefully selected embroideries in sets or otherwise and all marked at our usual low selling price.
