

Entered as second class mail matter November 4th, 1905, at the post-office at Prescott, Ark., under the act of Congress, March 3, 1879.

METHODIST CHURCH NOTES.

Attendance at Sunday school was 135, fairly good considering conditions. Amount contributed, \$5.30. New members received 8. In the absence of Supt. C. C. Calhoun, W. P. Murrah assistant, led the Sunday school.

A large crowd heard the pastor's splendid sermon at 11 o'clock on "The Great Commission." The congregation seemed eager to take in all that was said and all seemed hungry for the gospel after a month's staying at home on the Sabbath.

The Epworth League had a fair attendance at the 6 o'clock service. The service was led by Miss Griswold, this being her farewell meeting with the League. The program was splendid and the subject "Consecration," was thoroughly discussed by a number of good talkers. Special music was also enjoyed.

At the evening preaching service, a very strong and effective sermon was delivered by the pastor. "Paul's Vision" which was especially interesting to the young people, as well as the older, furnished a means of drawing a number of present day lessons therefrom. A good crowd was in attendance.

BAPTIST SUNDAY SCHOOL

Sunday school again opened at the Baptist church yesterday morning with 52 present. Attendance low.

It is earnestly requested that all members of the Baptist church meet on Wednesday night at the church for transaction of important business.

I. A. Blakely, S. S. Supt.

The Ozan mill is closed down temporarily on account of lack of logs, which is caused by the influenza epidemic which spread over the logging crews where the logs are being cut and loaded for shipment here. Practically every member of the crews has been down with the disease and cutting of logs was stopped. The mill will resume operations within a few days.

Prescott schools opened this morning after nearly a month's vacation on account of the influenza epidemic. All precautions have been taken to avoid further spreading of the disease or the breaking out of new cases especially in the schools and with the splendid weather we are now having and the fact that the epidemic has practically subsided here, is very encouraging. However, the health board warns everyone to continue to be "scart" over the disease and to take all necessary precautions to avoid another possible outbreak.

A REAL BARGAIN

40-acres, ONE HALF of which is ALFALFA land, located 2 miles from town on public road, all under good wire fence and cross fenced with same kind of material; all open; 30 acres in cultivation, balance pasture and meadow; comfortable 4-room house; deep well, fine water, with galvanized casing, fair outbuildings. For a short time can be had for \$2,000.00.

Moore and Martin.

Hart Schaffner & Marx clothes that save

for men of 14 to 21

There aren't any boys nowadays in the sense of fellows who haven't begun to take things seriously. The boys are all men in spirit; doing men's work; many are holding down the jobs of the men now fighting in France.

They're learning too, that it's economy to pay enough to get good stuff—clothes or anything else.

We can help any of you young men who are doing the work of the fellows gone to war; we can see that you get clothes that save.

Copyright 1918 Hart Schaffner & Marx

Hart Schaffner & Marx make that kind and we sell them because they are that kind; the styles are live ones. But they use no unnecessary cloth nor make the clothes cost any more. Ask us to show you the "Prep" styles.

P. S.—Also want to show you our swell line of Caps.

PRESBYTERIAN CHURCH

There were good congregations to hear the two good sermons preached by Dr. Williams at the Presbyterian church yesterday. The sermon in the morning was on "Faith," and in the evening on "The Pyramids of Egypt." He reminded us that "God is in control," and that one of the most useless things in the world is a "pessimistic Presbyterian."

The getting together again was very pleasant, the day beautiful, the church attractive with autumn foliage and bright flowers, and friends lingered for a word of greeting after the services.

The new superintendent and organist, and other officers were "on time" for Sunday school. The attendance was 83, and the contribution \$13.32. Let us have at least 100 present next Sabbath. Strangers and visitors cordially invited and welcomed.

THE WAR WORK CAMPAIGN

The people of the United States are asked to raise, for war work among the soldiers, \$170,500,000.00. Nevada county's part of this is \$12,000.00 This will be apportioned among the school districts.

It looks as if peace was near; but if peace is made large indemnities will be laid upon Germany, and our army and that of the allies will likely have to remain in Germany and Russia from two to four years in order to collect the indemnities.

I was in Little Rock last week at a conference of the managers of this campaign, and men from the front assured us that after the fighting is over the boys will suffer more from home sickness and a lack of something to do, than they do during the fighting. This money will provide religious instruction and entertainment for the boys while they are in foreign countries, and no one should fail to give upon the ground that the money will not be needed on account of the coming of peace. The whole amount will be expended by next June. Nothing is too good for the boys who have won this war.

W. V. Tompkins, Chairman Speakers Division.
