

There's Music in the Air!

Our Keynote of Low Prices!

 You judge people as you find them day in and day out. Why not measure stores by the same tests of acquaintanceship? You will find this ONE even-tempered, always happy and prosperous in the possession of faultless varieties and flawless qualities at low prices. There is where our popularity springs from. We never buy odd lots left over from bygone seasons, where quality is doubtful and styles out of date. We are doing business with our eyes wide open to the interests of our patrons. We cater to the popular tastes and demands. We know what's wanted and keep it. We have no room for any but reliable goods. Our prices are the lowest possible. Our variety *IS TRIPLE THAT OF ANY OF OUR COMPETITORS*, and the money awaits all dissatisfied purchasers.
