Says Private Mason, the gallant wounded Canadian soldier, who comes to us with a wonderful message from the front.
"Protestants, Catholics, Jews---we are all Buddies. We fight and die side by side."

We are going over the top all together in this great War Work Campaign. We are going to "vote the straight ticket" for every one of the Seven United War organizations which are doing so much for our boys now and will continue to care for them until they come home
