GIST OF THE NEWS

President's condition reported unchanged; no special trait men to attend any Executive Affairs - Will Reach Washington Early Today

Sit Up Short Time in Afternoon, But Unable to Attend to Any Executive Affairs - Will Reach Washington Early Today

On board President Wilson's special train, September 27. - Although benefited by several hours of sleep, President Wilson's condition showed no marked change tonight while the special train on which he made his interrupted tour of the country was approaching Washington.

President Wilson was out in the carriage of the special train tonight, but his condition was not improved. He was out in the evening and the train arrived at 11:45 p.m. at the station. President Wilson's condition was reported unchanged tonight and he will continue his journey to Washington early today.

A telegram received late today by the Associated Press states that President Wilson is not much better and will continue his journey to Washington early today.
