

THE POLL TAX.

It Must be Paid Before a Citizen is Entitled to Vote.

The following is the law passed by the twentieth legislature of Arizona requiring the payment of poll tax by the citizens of Arizona before they can register and thereby become entitled to vote:

SECTION 1. No recorder, justice of the peace, or other officer authorized to register electors in any of the counties in the territory of Arizona, shall register or take the affidavit for the purpose of registration of any elector within this territory, unless such person desiring to be registered shall produce and exhibit to the registering officer a receipt showing that he has paid a poll tax for the year in which he is registering.

SEC. 2. This act shall not apply to any person who is by law exempt from the payment of a poll tax. But in this event, the person desiring to register must make affidavit to the facts that entitle him under the law to an exemption from the payment of a poll tax.

SEC. 3. Any of the registering officers enumerated in section 1 of this act, or any that hereafter may be qualified to register electors, who enters the name of any person upon the great register of the county in which he is an officer, without requiring the person seeking to be registered, to exhibit a poll tax receipt for the year in which he is being registered, or taking the affidavit of such person showing he is exempt from the payment of a poll tax, shall be guilty of a misdemeanor and subject to a fine upon conviction therefor, of not more than \$100 or imprisonment in the county jail not less than sixty days, or by both such fine and imprisonment."
