OUR PLATFORM.

Endorsing our platform of last week, we hereby declare it a principle of the supporters of this paper and of the voters of Safford in particular that, realizing the necessity of reform in our county government, we will give our unqualified support to those candidates who declare for reform and give us evidence that they are sincere in their declarations.

Sideery Tigg Gets His Inspiration.

Say, George Sideery Pseudonymous Kelly Tigg, you come here mit me in my gounty goort house a leedle vile. I vant to dell you somedings. Some dimes you vas tam schmart and some dimes you vas tam loonytigg. Some dimes you trink too much peer maype, den I dinks I fire you and put Shon Epley and my poy Sharlie in your sanctum and let you go blay mit yourself, but ven you dells de peebles vot o philandrobist I vas den I says, "Sideery, you vos foxy." Now, vot de scheminy Moses you dell der peebles my voter vos schust as Safford voter, no petter no vorse — why der teyful you not dell 'em it vos petter, a goot deal petter; don't you know dot; but no, you don't drink vater, do you? Vell, you must gommence right away, pooty quick, so ven der peebles come here at goort times you can gvnice dem der vater vos goot. I vill get your stomach gobber lined if you vish.

Den ven you dells 'em I pilt der telegraph line at an oxbense of two thousand tollars, dot vos a goot von. Dot does der pebble of Graham gounty lots of goot, don't it? But, Sideery, you tam jack-male, vot you says anything about my giving Garland \$2500 to pild der railroad vithin two miles of my gounty seat for? Dot vos a pad break, for you see if Garland toght my town vos any goot and dot der gounty seat would shtay mit me he would have come here mit his railroad and I would have saved me my

\$2500.

Say, Sideery Tigg, dot blaster ing my goort house vos a pooty shek shob, vosn't it? but vot der sacred Isaac vill ve do if it rains pefore election dime and vashes it off?

You must geep on telling der peebles vot I have already done for Graham gounty and vot I vos going to do if dey lets me my goort house alone. I don't vant to lose it. I paid too much for it and I makes me my money mit it.

Dell 'em how patriotic I vos; how I hangs me my U. S. flag vich Scharlie pought in Los Cruces for 67 cents second hand, on der top of my pig store and lets it stay all der dime, mit der sun and mit der rain.

Dell 'em if dey lets me geep my gounty seat I vill steal all der vater from der Safford peebles and I vill lay oud a poutiful park or der alkali flad and have der sheriff blant some gactuses and put some horned toads and odder nice dings dar vot vill live.

Dell 'em vot an aggomodation it vos ven dey gets their varrants for shurey service and mileage to come to Scharley and he gifs 'em 60, maybe 70 cents on der tollar for 'em.

Say, my red muzzeled boodle tog, maybe if you dells dem Safford vellers dot if dey vill drob der gounty seat fight I vill gif dem all der vater to put in dot tam Enterprise ditch vot I don't vant myself, dot vill seddle der matter.

Siddery H. George, you dell 'em all this and I will gif you two more pottels of pear per tay aind't it?

The Board of Supervisors will order an election on the removal of the county seat at its session next week, and on November 3rd, the voters will order it removed to Safford, then active operations will commence in the construction of the new court house.

The Bulletin says there was only one article in the RATTLER worthy of note. What was that Mr. Bulletin? You noticed several articles in the RATTLER.

SAFFORD receives 5 times as much freight as Solomonville. When the county seat is located here she will receive 25 times as much.
