Williams builders can not build houses fast enough for renters. A completed house is very soon occupied.

Beware of Ointments for Catarrh that Contain Mercury
 as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.
 Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

Mr. John G. Tinker of Oatman was in town Wednesday looking up the prospects for work in the printers trade. He reported everything booming in Oatman in the mining line but a little dull for printers.

A little more variety in the Weather Bureau reports would be agreeable.
