Please mention this paper.

Billie Stiles, the noted train rob-
ber, came near being captured a
few days since by Mexican ru-
rales while visiting with his wife
near Bisbee, Arizona. Ever since
his escape from the Tombstone
jail he has been in hiding in So-
nora. About 10 days ago Stiles
met his niece near Douglas, Ariz.,
and made arrangements for the
meeting which came so near re-
sulting in his capture.

Republicans returning from the
southern end of the county report
a very favorable out look for
their candidates, while the Demo-
crats say that there isn't a Re-
publican to be found in that neck
of the woods. As yet, no heavy
betting has been engaged in, and
the candidates on both tickets
are thought to be very evenly
matched.

F. J. Watron is acknowledged
to be one of the best officers ever
in this county and also one of
the best citizens of Holbrook, yet,
there is a cry, he has held office
too long.

This sounds to us as if the people
don't want a man for a county
office if he is qualified. And, then
we have heard, if Watron is de-
feated this time he will sell out
and leave the county in less than
90 days. If you will stop and
think F. J. Watron has been in
business here since 1885 and did
not hold a county office until 8
years ago. These sound like very
poor reasons why Watron
should be defeated. The next
thing you will hear will be, Wat-
tron has lived in Holbrook so
long we had better boycott him,
and make him move out.

The office of District Attorney
is continually beset with many
trials. This office is one of our
most important ones. It should
be filled by a thoroughgoing,
energetic, careful conservative
and honorable man, a man with
back-bone, a man of breadth of
character and a man above suspi-
cion. It should be filled by man
who will do his duty for duty's
sake and not play with the law.
The man who fills the office of Dis-
trict Attorney must play no fa-
vorites, but comply with the law
and see that all law-breakers are
properly punished regardless of
race or social standing.—EX

Voters of Navajo county, the
man you should and no doubt
will retain for this office is T. F.
Moran and the foregoing is but
a small part of the good that is
to be said of him. Do not fail to
accord him your very best sup-
port.

DON'T FORGET!

Election, Tuesday, Nov. 8, 1904.

Joe Bush, the butcher, with the
big dogs, sold his huge mastiffs
to Gentry Brothers' circus. Part
of the consideration was one of
the show's trained ponies. These
dogs have been used as a delivery
team for many years and their
work in harness in front of a
small though stout wagon has
been one the picturesque features
of the commercial life of Phoenix.
