Last Monday, T.W. Tanner of Snowflake was in town.

The Highway commission let contracts on the Holbrook-Keams Canyon road and on the Holbrook-Snowflake road, the first named being bid in by Raymond Stratton, E.J. Larson and Taylor Hunt of Snowflake. The latter contract was given to Messrs. Rogers Bros., and Willis. The prices which contractors are quoting in this county for road work would seem to warrant an ambitious program of road improvement being entered upon, because there never has been, and perhaps never will be a time when the Board of Supervisors could get work done so cheaply. If anything is to be done, the matter must be taken up at once.

Mrs. H.H. DeGrasse's mother, Mrs. Reig, has returned to her Los Angeles home after spending some time here with her daughter.

Mr. and Mrs. Frank Gardner of Snowflake have been in town this week. Mrs. Gardner has been attending the dentist.

Al Turley, and Jim and Lee Brinkertoff were Holbrook visitors last week, coming in from our neighboring town of Woodruff.

We are in receipt of the Rio Grande Project number of the El Paso Chamber of Commerce bulletin. This highly creditable piece of publicity is undoubtedly widely distributed and cannot fail to fulfill its purpose, i.e. including home-seekers to settle in the lower Rio Grande Valley. More power to their elbow!
