TRANSPORTS SCARCE

The Government May Use Sailing Vessels

TO TRANSPORT SUPPLIES

Camara's Squadron Sails, Evidently Bound for Manila

THEIR COALING SUPPLY

SAN FRANCISCO.—The difficulty experienced in obtaining steamships for transport service has caused the government to seek for sailing vessels which may be available. Several have been examined and it is understood the ship Tacoma will be chartered to carry stores and military supplies to Manila.

PORT SAID.—Admiral Camara's ships moved outside the harbor in order to coal from their own colliers. The San Francisco has entered the canal.

LONDON.—A despatch to Lloyds yesterday says that Pelaya, Empedador, Carlos Quintos, Osada, Patria, Buenas Ayres, Isla de Banav, Rapito, San Francisco, Isla de Luzon and San Ignacio de Louisa have gone to sea.

NO FIGHT TODAY.

City of Santiago Entered this Morning.

BAD NEWS CONFIRMED

Morro has Not Yet been Taken but Will Be Very Soon

THE ADMIRAL'S PLAN

WASHINGTON.—Sampson wires the engagement of yesterday resulted in heavy loss of U. S. troops but Spaniards were compelled to retreat. Pando with 8000 troops entered Santiago this morning but believed no fighting was had today. The Spaniards suffered far more loss than Americans. Shafter is having wounded taken care of but the necessity of reinforcements is apparent.

WASHINGTON.—The taking of Moro has not yet been accomplished but will be attempted by Sampson at once and after mines have been removed will enter harbor and engage fleet with land forces. Many soldiers collapsing from heat.

Lime

No lime or alum in Schilling's Best.

REINFORCEMENTS.

Gen. Shafter Asks for More Help.

HOSPITAL SUPPLY SHORT

Department Hurries Orders and Will Respond at Once

THE CASE VERY URGENT

WASHINGTON.—Gen. Shafter this afternoon wired the department for reinforcements and hospital supplies at once claiming most urgent necessity. In response the war department issued orders with post haste. Troops have been ordered to Tampa and transports being arranged for to start them off at earliest possible time. Hospital supplies are begin sent forward and will be loaded at once for destination. The greatest excitement prevails.

WASHINGTON.—Prominent war officials state that from tone of reports from Gen Shafter they believe 1000 is a low estimate of the killed and wounded. It is thought U. S. suffered still heavier loss.

A FEARFUL LOSS.

Over 1,000 U. S. Soldiers Killed and Wounded.

THE HEAT IS TERRIFIC.

A Shell Explodes and Annihilates a Whole Company.

A DISTRESSING SCENE

WASHINGTON.—Gen. Shafter sent report today from Siboney to the effect that our troops suffered heavily during engagement yesterday at Santiago stating over 1,000 now number the killed and wounded. One shell exploded in midst of troops and annihilated one whole company of soldiers. Hospital supplies are short in caring for so large a number of wounded. The thermometer registers 104 in the shade and the sufferings of the wounded is intensified by the heat. No attempt will be made to make further attack today and troops will remain entrenched at the outer works of the Spaniards captured yesterday.

Speaking of a local egg eater, the Harrisburg (Pa.) Sayings says: "His name is 'Son' Patterson. He has on divers occasions swallowed 18 or 20 eggs, but a few nights ago he overstepped all previous dots and knocked the record silly by eating 39 eggs in 16 minutes. The boys were setting them up to him to see how many he could consume, but he cooked them on this round. He afterward agreed to swallow a large sized candy bucketful if they would foot the bill, but they did not need him."

Remarkable Rescue.

Mrs. Michael Curtin, Plainfield, Ill., makes the statement that she caught cold which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles, found herself sound and well, now does her own housework and is as well as the ever was.—Free trial bottles of this Great Discovery at Tombstone Drug Store, large bottles 50 cents and \$1.00.

The GRAPHOPHONE

Most fascinating invention of the age. Always ready to entertain. It requires no skill to operate it and reproduces the music of bands, orchestras, vocalists or instrumental soloists. There is nothing like it for an evening's entertainment. Other so-called talking machines reproduce only records of cut-and-dried subjects, specially prepared in a laboratory, but the Graphophone reproduces records of the voice, or any sound. This is constantly awakens new interest. Its charm is ever fresh. The reproductions are clear and brilliant.
Graphophones are sold for \$10 and up. Manufactured under the patents of Bell, Edison and Gramophone. Our establishment is American. We have the largest stock of Talking Machines and Gramophone Records in the West.
