The Cincinnati Commercial-
Gazette has the following statement concerning alleged fraud in cotton
bales at Memphis, Tennessee:
Judge Wright, of Arizona, and Hon. 
B. M. Cotton, of the Wash- 
ington Cotton Company, state 
the following in the letter. After reading 
the letter the latter Judge Baldwin said 
"The Cotton Company will file 
its motion in the Arizona case the 
quintal once more. The cotton 
appears to be in a very de 
sirable condition, and it is 
very likely to be a good crop."

The Journal's Lagomarcin corres-
dent adds, "It seems Judge 
Baldwin and the Arizona 
Cotton Company are at the 
end of their rope, and are 
ready to put their case in 
the hands of the proper 
authorities." The Los Angeles
