Concho Cullings.

Mr. and Mrs. Frank Baird left Monday for Snowflake where they have been preparing to go for sometime to make their future home.

Samuel Baird, Miss Pearl Udall Mrs. Olena Kempe and her daughter, Charlotte, left for Pima, Arizona, Friday last. A pleasant farewell party was given them on the eve of their departure.

Mr. and Mrs. George Lewis, Dudley Lewis, Pratt Greer, M. P. Holliday, Mrs. Grace Nichols and Mrs. Amelia Coleman were pleasant callers at our little village Sunday. Mr. and Mrs. Lewis were on there way home in Mesa, Arizona.

Two of Concho's estimable young people--Jesse Marble and Libbie Sanders--launched their bark out on the matrimonial sea Wednesday at one o'clock. Bishop E. G. Cheney preformed the ceremony which made them companions in this life long voyage. A banquet was served to a number of guests and a ball in the evening closed the memorable day. All wish them long, happy and useful lives.

A number of citizens are taking up a collection in behalf of Mr. N. E. Marble, of Amity, who has a cancer on his lip. It has been decided that he must be sent to Dr. Chumley, of San Francisco, Calif., for treatment. Mr.

Marble is in very trying circumstances, therefor his friends are doing all they can to raise the money to help him in his affliction.
