MRS. STEVENS
RECOVERS
After Years of Suffering, Tells How Her Health Was Regained.

Warner, Okla. "I labored two
years under the care of Dr. M. D. Weymouth, at one
time, but could not do any
work, and was the most
ill-looking woman I ever
saw until I came to Dr.
Weymouth. He cured me
in over a year, and I
had no trouble of that
kind for seven years,
until I came here last
summer. I could not
read or write, and
was unable to do any
work. Dr. Weymouth
sent me home and I
began to improve at
once, and have been
well ever since, and
have been working
hard ever since. I am
glad I am not a pauper
now."

Another Woman Heals.
Another woman, Mrs. E. W. Woodruff, of Havre, Mont., is
on a visit to this city.

THE N.

S.S.S. THE CURE FOR
SCROFULA
The small symptoms of scrofula are seldom noticed by the
patient, and are passed for habitual cough.

The laboratory tests confirm the statements made by the
manufacturer of this remedy, that scrofula is caused by
the action of bacteria on the lymphatic system.

The manufacturer of this remedy has a large laboratory
established in London, where the bacteria are cultivated
and killed, and the remedy is standardized.

This remedy is sold in the United States by

The Swift & Co., 517 West Suburban Ave., Chicago.
