

THE COUNTY ELECTION.

The Republicans Gain Two Officials Over the Election of Two Years Ago.

The election was an unusually quiet one throughout the county. The vote in this precinct was 511, the registration being 587, indicating that but few voters had gone away or had chosen to remain away from the polls. The successful candidates on the ticket and the offices are as follows: M. J. Riordan, council; James Walsh, assembly; N. G. Layton, probate judge; George Hoxworth, treasurer; J. E. Jones, district attorney; J. A. Johnson, sheriff; H. C. Hibben, recorder; W. H. Power, surveyor; George Babbitt and T. E. Pulliam, members board of supervisors. The precinct officers are: L. W. Quinlan and M. S. Beal, justices of the peace; Dan Hogan and R. H. Marine, constables.

A detailed table of the vote from the various precincts in the county is printed on another page in this issue.

M. J. Riordan for council, J. A. Johnson for sheriff, J. E. Jones for district attorney, George Hoxworth for treasurer, and Harry Hibben for recorder proved popular candidates with the voters, the later leading the ticket, receiving a majority of over 300 votes.

The officials selected to serve the dear people for the next two years are all good and capable men, and will make excellent officials.

The Republicans gain two officials over the election of two years ago. There were but few straight tickets voted. The Republicans cast 41 and the Democrats cast 31 straight tickets. The prohibition candidate for congress received 11 votes in this precinct.

He Tried a Sample Bottle

Nearly every day people come into drug stores and ask the Druggists to recommend some medicine for their trouble. Very often they refuse to do so, because, as a rule, they do not believe it proper to advise anyone to take a patent medicine of which they do not know the ingredients. It is the physician's business to prescribe. Some make an exception, however, when

anyone has a cough, cold or throat and lung trouble. "I always recommend Acker's English Remedy, because I know just what it will do. It has cured every case where I have seen it tried. It is the best expectorant and tonic I ever handled in my 14 years' experience. I will give just one instance of a gentleman who had been troubled for years with a nasty, hacking cough. I advised Acker's English Remedy. He tried a sample bottle, and was cured before he had taken half of it, at no cost whatever. This is an exceptional case, however, as it usually takes two or three bottles."
