

Crippled by Rheumatism.

Those who have Rheumatism find themselves growing steadily worse all the while. One reason of this is that the remedies prescribed by the doctors contain mercury and potash, which ultimately intensify the disease by causing the joints to swell and stiffen, producing a severe aching of the bones.

Dr. E. C. Hughes, the popular railroad conductor of Columbia, S. C., had an experience with Rheumatism which convinced him that there is only one cure for that painful disease. He says: 'I was a great sufferer from muscular Rheumatism for two years. I could get no permanent relief from any medicine prescribed by my physician. I took about a dozen bottles of your S. S. S., and now I am as well as ever was in my life. I am sure that your medicine cured me, and I would recommend it to anyone suffering from any blood disease.'

Everybody knows that Rheumatism is a disease of the blood, and only a blood remedy is the only proper treatment. But a remedy containing potash and mercury only aggravates the trouble.

S.S.S. For Blood being Purely Vegetable, goes direct to the very cause of the disease and a permanent cure always results. It is the only blood remedy guaranteed to contain no potash, mercury or other dangerous minerals.
