Change of Train Schedule.

The new Southern Pacific train schedule went into effect Monday night at 12 o'clock. The only passenger trains affected are Nos. 7 and 8. The former now arrives at 6:20 a. m. instead of 5:10 as heretofore, while No. 8 arrives at 5:24 p. m. instead of 8:50 p. m. No. 7 will breakfast at Yuma and the passengers of No. 8 can eat their supper here.

The freight schedule has been altered by cutting out the Yuma-Indio local entirely. Through freights Nos. 241 and 242 will carry the local freight as far as Imperial Junction and the Indio-Calexico local will take care of it from there. These changes will be appreciated by the people at Mohawk, when the Glia recedes so it can be crossed without ferrying, as they can go right through to Mohawk without stopping at Mohawk Summit. It also gives the people of Kofa and North Star an all-night rest at Mohawk Summit, going or coming.

Do Not Crowd the Season. The first warm days of spring bring with them a desire to get out and enjoy the exhilarating air and sunshine. Children that have been housed up all winter are brought out and you wonder where they all come from. The heavy winter clothing is thrown aside and many shed their flannels. Then a cold wave comes and people say that grip is epidemic. Colds at this season are even more dangerous than in midwinter as there is much more danger of pneumonia. Take Chamberlain's Cough Remedy, however, and you will have nothing to fear. It always cures, and we have never known a cold to result in pneumonia when it was used. It is pleasant and safe to take. Children like it. For sale at the Ketcherside drug store.

Captain Meeden Ill. County Assessor Meeden returned Monday from the northern part of the county a very sick man and at once took to his bed. He was taken ill at Wendendale and at once started for home, but was compelled to stop over in Phoenix one day for rest and medicine. Captain's present condition is considered quite alarming.

Another Gold Find. W. C. Pruitt returned last Thursday from the northern part of Yuma county, where he had been prospecting for several months. He and his partner, a short time ago, located a group of claims three miles south of Alamo Springs. From the tests made the rock proves to be quite rich in gold and the locators are confident they have made a valuable find.

Resolutions of Sympathy.

Whereas, The Grand Exalted Ruler of the Universe has called our beloved brother, Michael J. Nugent, to the Eternal Lodge above, and

Whereas, Brother Nugent, by his activity and earnestness in the welfare of our order and keen appreciation of the precepts and principles thereof, strongly endeared himself to the members of this lodge, and

Whereas, The separation thus decreed by Him who guides the destinies of all the lodges of all peoples and nations, a loss from which we will be slow to recover, now, therefore,

Be It Resolved, That Yuma Lodge No. 476, of the Benevolent and Protective Order of Elks, of Yuma, Arizona, of which Lodge Brother Nugent was an honorary life member and a Past Exalted Ruler, at its regular meeting in Memorial and Tablet Session, held March 19, 1908, extends its most heartfelt sympathy to the sister, brother and nephew of deceased, who were with him in his last moments, and to other members of his family.

Resolved, That these resolutions be spread in full on the minutes of this session, a copy thereof, sent to Miss Mary E. Nugent, the sister of our deceased brother, and a copy furnished the press for publication.

Mallford Winsor, P. L. Ewing, Frank Baxter, Committee.

Democratic Convention at Tucson.

The territorial democratic committee met at Phoenix on the 23rd and selected Tucson as the place and May 28th as the date for holding the territorial convention to elect delegates to the national convention at Denver. The Tucson convention will be composed of 220 delegates, apportioned on the basis of one delegate for every 40 votes cast for Mark Smith at the last election. Yuma will have eight delegates.

I. G. Whitesides of Maricopa county was elected to fill the vacancy made by the death of Hon. Mike Nugent of Yuma county.

The manner of selecting delegates from each county was left to the county central committees.

Before the adjournment of the committee, J. M. O'Connell, Geo. H. Kelly and J. P. Wilson were appointed to draft resolutions of respect for Hon. M. J. Nugent and Hon. M. G. Samanigo, who have died since the last committee meeting.

A Touching Paragraph.

Nothing that Dr. Van Dyke has written, nothing that he ever will write, is finer or more beautiful than the closing paragraph of his essay, "A Leaf of Spear-mint." He bids a loving farewell to the comrade and father who taught him how to fish.

"Dear Governor," he writes, and there are tears and delight in his words for those who read, "you have gone out of the wilderness now, and your steps will be no more beside these remembering little rivers—no more, forever and forever. You will not come in sight around any bend in this clear Swiftwater stream where you made your last cast; your cheery voice will never again ring out through the deepening twilight where you are lingering for your disciple to catch up with you; he will never again hear your call. 'Hallo, my boy! What luck? Time to go home!' But there is a river in the country where you have gone, is there not—a river with trees growing all around it—evergreen trees; and somewhere by those shady banks, within sound of clear running waters, I think you will be dreaming and waiting for your boy, if he follows the trail that you have shown him, even to the end."

Notice of School Election.

Notice is hereby given to the qualified electors of Yuma school district No. 1, county of Yuma, that the annual school meeting for the election of a school trustee will be held on Saturday, March 28, 1908, at the public school house of said district. O. C. JOHNSON, W. H. ELLIOTT, C. V. NEEDEN, School Trustees.

Enforce the Hitching Ordinance.

Monday was a day prolific of run-aways in Yuma. The laundry wagon team and one of Alexander & Co.'s delivery teams were among the number. The latter took a circle around and ended where they started, but without the wagon, which they kicked loose from early in their flight. O. P. Bondesson's big horse, attached to a buggy and standing unhitched in front of Shorey's, became frightened and took a wild spin down the narrow, crowded street. He was stopped before going far, though it is a wonder there were no damaging collisions. By the way, why not enforce the hitching ordinance? One of these days a serious accident will occur—some one will get killed or maimed, and then—but why wait till then?

The semi-annual convention of the Third Arizona District Sunday School Association, comprising Maricopa, Pinal and Yuma counties, will be held at Tempe April 3rd, 4th and 5th.

after the horse is stolen. That is, the way people do about their teeth. They go to a dentist after teeth are ruined and they are in pain. At the first sign of decay a tooth should receive attention. If you have such a tooth I can save it.

Death From Appendicitis.

Wiley T. Patterson, who had been living in Yuma a short time, died yesterday from an acute attack of appendicitis. He was first attacked one week ago. Dr. Ap John, the attending physician, wanted to perform the customary operation for the malady but the patient objected and he was not permitted to do so. The home of deceased was Sawtelle, Cal., where he leaves a wife and four children.

Robbed Barber Shop.

Charley Thomas' barber shop was robbed Thursday night, the thief taking about everything there was in sight, including every razor in the shop. One of the razors was recovered, it having been sold to a barber on North Main street. Five dollars in nickels and Mexican coins in a drawer was overlooked. The indications were that entrance to the shop was effected by means of skeleton keys, as Mr. Thomas found the doors locked as he had left them in the evening. A man suspected of turning the trick is in jail.

Great Game.

One of the most startling and scientific base ball games on record was played by the printers and barbers at West Side park last Sunday afternoon, the printers beating the tonsorial artists by the close shave of 17 to 16. Some of the gang started practicing on high balls Saturday night and by 2 o'clock Sunday, when the real game commenced, were in wonderful form and voice—especially voice. One of the typesetters who rooted dug in so hard that he lost his voice and is hunting for it yet. But they had dead loads of fun and will play some more some time when the zephyrs are calmer.

Assistant Superintendent Wilder left for Phoenix yesterday after William Tempe, a Maricopa Indian, who escaped from the prison last November. He was a trusty, and taking advantage of the liberties accorded him, stole \$300 worth of jewelry from the superintendent's quarters and decamped. The jewelry, which belonged to a niece of Capt. Ward, was mostly recovered. Like all of the Indians who break away from jail or the prison, Tempe wandered back to the reservation of his tribe and gave himself up.

Rev. J. A. Crouch, for several years pastor of the M. E. church in this city, but now at Mesa, was in Yuma last Friday and in the evening delivered an illustrated lecture to a good audience at Masonic hall. Mr. Crouch has a great many friends in Yuma, who were glad to see him.
