Arguments in the Pollard-Breckenridge Case.

The Opening Speech Will Occupy Two Days—Friday the Probable End of the Trial.

By the Associated Press. WASHINGTON, April 9.—Attorney Carlisle consumed today in a review of the testimony before the jury in the Pollard Breckenridge case. His statement was a detailed review of the evidence and at times the lawyer referred to Col. Breckenridge in very scathing, but coolly worded, terms.

San Francisco Markets.

SAN FRANCISCO, April 9.—The grain markets here were advancing during the week in anticipation of dry weather and consequent damage to crops. Spot No. 1 white wheat sold on Monday at \$1.04 and closed on Saturday at \$1.14 a gain of nearly ten cents per cent for the week.

A DISCOURAGING MARCH.

The Industrial Army Confronted by Serious Obstacles.

SALT LAKE, April 9.—There is very little change in industrial army affairs. The territorial authorities are confident that the army will be carried back across the line.

Forty Arrested.

PUEBLO, Colo., April 9.—Bert Hamilton, captain of the Colorado division of Coxe's army, and forty of his followers were arrested in the railroad yards here and spent the night in jail.

STORM SCOURGED.

BOSTON, Mass., April 9.—Not until afternoon did the storm which has been raging in the city and vicinity since Sunday night clear up. Since last night it has snowed continually but melted as fast as it fell and there is not more than three inches of snow on the ground.

Reducing Rate of Interest.

SAN FRANCISCO, April 9.—C. P. Huntington has instructed the land department of the Central Pacific Railroad company to reduce the rate of interest on all land sales hereafter made to six per cent and to reduce the rate on all existing contracts to six per cent at the date of the next payment of annual interest provided ten per cent of the unpaid balance of the principal is paid at that time.

Will Hold His Job.

ST. LOUIS, April 9.—President and Receiver S. H. Clark, of the Union Pacific railway, was today shown a dispatch from Omaha stating that he would resign his connection with the road and return to the Missouri Pacific system because of a disagreement with the other receivers on wages and other questions.

Preparing for an Emergency.

SALT LAKE CITY, Utah, April 9.—The attorneys for the Southern Pacific went before Chief Justice Merritt today and obtained an order on the United States marshal to call to his assistance all necessary aid to protect the property of the company as it is feared if the so-called industrial army are not furnished transportation east there will be great destruction of property and probably bloodshed.

It Lacks Originality.

LOS ANGELES, April 9.—Judge Ross in the federal circuit court today rendered a decision in the case of W. R. Walls vs. Henry Gech. By this decision Judge Ross held that the patent for spraying fruit trees with hydrocyanic acid was void because of its want of novelty or originality.

Protection for the Indians.

Ordinance No. 163.

Enacted an ordinance for the purpose of improving Washington street between Center street and First avenue.

WHEREAS a petition has been filed with the City Recorder of the City of Phoenix, signed by a majority of the owners of lineal frontage on Washington street, between Center street and First avenue, asking that both sides of said Washington street between Center street and First avenue be improved by the laying of an artificial stone sidewalk and granite or concrete curb where not already done, along the frontage above described, the said improvement to be done according to the following specifications:

SECTION I.

That there be and hereby is ordered to be constructed by special taxation of contiguous property on both sides of Washington street between Center street and First avenue an artificial stone sidewalk and granite or concrete curb, where not already done, along the frontage above described, the said improvement to be done according to the following specifications:

Remove board planks and all rubbish and excavate for cement sidewalk and remove the earth from the premises.

The concrete for the sidewalk to be four inches thick and composed as follows:

One part best Portland cement, two parts best sand, three parts of broken stone that will pass through a two inch ring, and two parts of screened gravel. The concrete to be put in place and rammed until the water flushes freely to the top.

On the outer line of sidewalk place a cement curb six inches across the top, and surfaced two inches below to effectually establish gutter, nine inches at the bottom and 20 inches high.

Upon the top of the concrete lay a finishing coat 3/4 in. thick composed of one part best Portland cement to one part of best screened sand, clean to the depth of eight (8) inches, and as possible from all drill holes; the curb to be set closely to each other with close fitting joints upon a bed of good clean sand, not less than four (4) inches in depth, to be formed by excavating the trenches to a depth of not less than four (4) inches below the bottom of the stone to be used.

The curb to have the earth well rammed on each side, the upper surface of the curb to be even and on the official grade the outside edge to be on the official line, and all joints to be thoroughly cemented and when finished to present a smooth, even surface. All street corners to be rounded.

This ordinance shall take effect and be in force from and after its passage and publication according to law.

Passed by the Common Council of Phoenix the 2nd day of April, 1894.

Attest: Ed. Schwartz, City Recorder. P. J. COLE, Mayor.

Ordinance No. 165.

Amending Ordinance No. 133, entitled: "An Ordinance Granting to James A. Fleming, His Successors, Associates and Assigns the Right and Franchise to Construct, Maintain and use as Sewer on and Under Portions of Cortez Street, or First Avenue, Jackson and Center Streets in the City of Phoenix."

The Common Council of Phoenix do ordain as follows:

That Ordinance No. 133 be amended so as to read as follows:

SECTION I.

The right, authority and privilege is hereby granted to James A. Fleming, his associates, successors and assigns to build, erect, maintain and use a covered, underground sewer with all suitable and necessary connections through and under any of the streets and alleys of the City of Phoenix.

SECTION II.

For the purpose aforesaid the said grantees are hereby authorized and granted the privilege of opening necessary trenches and of erecting and maintaining the necessary manholes and catch basins in and upon the streets and alleys of the City of Phoenix; Provided, however, said streets and alleys shall be restored to as good and safe condition as the same are at present, or may be in, immediately after completion of said sewer or the making of connections therewith or repairs thereon by the grantees, and the cost of the same shall be paid by the grantees, and if at any time, have the right and privilege of connecting any city building with said sewer system free of charge.

SECTION III.

This ordinance shall take effect and be in force from and after its passage, approval and publication for ten (10) days in THE ARIZONA REPUBLICAN, a newspaper published in said city of Phoenix and the grantees shall deposit the money necessary to pay for the publication of this ordinance with the city recorder.

Passed by the Common Council this 5th day of April, A. D., 1894. Approved this 5th day of April, A. D., 1894.

Attest: Ed. Schwartz, City Recorder. P. J. COLE, Mayor.

Ordinance No. 164.

The Common Council of Phoenix ordains as follows:

SECTION I.

That Jerry Millay of Phoenix, County of Maricopa, Territory of Arizona, and his assigns are hereby granted the right of way through, in and upon the streets, alleys, sidewalks and public grounds of the City of Phoenix, Maricopa County, Arizona, both upon the surface and underground therein, for the purpose therein and thereon, to erect, place, maintain and use all the necessary poles or posts, pipes and conduits of wood or iron or other suitable material and for the purpose of laying and placing therein and thereon the necessary wires and fixtures to successfully operate and use a Telephone System of Exchange Messengers, Mail Service and Telegraph Lines within said city.

Provided that the erection and maintenance of said poles, pipes, conduits, wires and fixtures shall be subject to the regulation of the Common Council of the City of Phoenix.

SECTION II.

That at any time hereafter when the public needs shall require it as business justly fit, the said Jerry Millay and his assigns shall have the privilege under the regulation of the City of Phoenix of laying and placing said Telephone and Telegraph System and Call Service in any direction throughout the city, or in any addition may hereafter be added to the City of Phoenix, or become a part of the corporate limits thereof, and the privileges hereby granted to the said Jerry Millay and his assigns within said corporate limits are hereby extended and made to cover said additions.

SECTION III.

The rights and privileges hereby granted to said Jerry Millay shall vest in him and his assigns immediately upon the passage of this ordinance and shall continue for the period of fifty years from the first day of April, A. D., 1894, provided, however, that said Telephone lines shall be in operation on or before the first day of January, 1895, and if not in operation by said time, then the privileges herein granted shall be forfeited to the City of Phoenix.

SECTION IV.

For and in consideration of the granting of this franchise the City of Phoenix shall be provided with one telephone during the life of said franchise free of charge for city use, to be placed as directed by the Common Council.

SECTION V.

This ordinance shall take effect and be in force from and after its passage and publication according to law.

Passed by the Common Council of Phoenix the 5th day of April, 1894.

Attest: Ed. Schwartz, City Recorder. P. J. COLE, Mayor. (Date of first publication, April 7, 1894.)
