DECLARATION OF PRINCIPLES. That the finances of the city should be so conducted that the man who does one dollar's worth of labor for the city should be paid that dollar in cash, and not turned over to the tender mercies of the discount money shark, by the issuance to him of scrip.

That a liberal and broad minded policy should be pursued towards, and in encouragement and aid of the city fire department to the end that the same may take form rank.

That a like policy should be pursued in respect to public improvements and in encouragement of labor.

That the tax payers be relieved of all unnecessary burdens and that disbursements be strictly and economically guarded and faithfully accounted for.

That the unexplained deficits of past years be investigated and uncovered and the person or persons responsible therefor, and their bondsmen be held to strict account.

That we believe and are in sympathy with all our fellow citizens in their demand for the restoration of the silver dollar to its normal place in the pockets of the people and as a standard money value free and unlimited in its coinage and uses.

That our party stands committed to fair dealing, home enterprise, fair wages, cash payments and genuine commercial progress.

That our party stands committed against the lease or purchase of any private franchise that will operate to increase the burdens of the tax payers of this city but will always encourage legitimate private enterprises by honest legislation.

GRAND REPUBLICAN RALLY. Notice is hereby given that on Monday evening, April 30, 1894, at 7:30 o'clock p. m. there will be a grand Republican rally and mass meeting on the military plaza east of the Le non hotel on Washington street, Phoenix.

How much did Mr. Kellner subscribe to the statehood fund? Mr. KELLNER'S money won't buy Jim Monihon's friends, and that is why Monihon will be elected.

Mr. KELLNER likes the people so well that he is even willing to add the word mayor to his watch chain.

When Mr. KELLNER is willing to sacrifice his vacation it does look as if the people ought to appreciate it.

R. A. LEWIS is a gentleman of the strictest integrity, and just such a man as is needed in the city council.

L. J. WOOD has the softest snap of any candidate on either ticket. The business men have taken up his candidacy, and he will be elected assessor

and tax collector without an effort on his part. It is seldom that a candidate is so fortunately situated.

THE COMMON people and the working men are taking a hand in this election, and everyone of them is for Monihon.

KELLNER is really a candidate for the United States senate. He wants the office of mayor as a stepping stone.

THAT MARK SMITH letter was a desperate bluff. Will the Gazette show its hand or bunch the cards in the deck?

How CONDESCENDING Mr. Kellner is! He even promises to give up his vacation for the people if they will elect him mayor.

THE KELLNER people are hard up for campaign material when they are obliged to resort to faked letters to gain their ends.

LAST CENTURY the nations spent large sums in carving elaborate figure heads upon their wooden warships. Phoenix wants a sensible man at the helm.

THE TRUTH is not always a pleasant thing to hear, but when men run for office they must not object if some of their eccentricities appear in print.

Do the people want a mayor who will spend the first half of his term in California and the last half in Globe? If they do not they must not elect Mr. Kellner.

I. M. CHRISTY is an ideal treasurer. Open, frank and honest, he is just the man to place in charge of the city's funds. His majority will be larger than last year.

Do DEMOCRATS believe that Mark Smith wrote to a man supposed to be a staunch Republican for private political information of so much importance to his party?

FORTUNATE PHOENIX—Mr. Kellner will sacrifice himself for you one summer and forego his residence at Coronado. That is if your citizens show their appreciation of him on Tuesday.

The Gazette said in 1888 that the election of a delegate to congress cut no figure as to statehood but it lays great stress now upon the election of an alderman in Yuma, Tucson or Phoenix. This is consistency for you.

MR. KELLNER says that if he is elected mayor he will not go to Coronado Beach this summer, though to not do so will greatly disappoint him. Mr. Monihon does not expect to go. Why not elect Mr. Monihon and not disappoint Mr. Kellner.

KELLNER money is coming to the front lively. It came hard, but it is there now and an attempt will be made to defeat Monihon by slush money. Monihon is not in danger, but his friends must not relax their efforts until the victory is won.

WHEN MEN like Lewis and Moss will consent to serve in the city council they ought not to have to work for an election. Business men do not often care to take upon their shoulders the burdens of the public; but when they do it is small thanks to work up opposition to them.

THOS. MOLLOY is conceded on all sides to be much superior to his opponent for marshal. As we don't believe the senate cares who is elected marshal in Phoenix we are for Mr. Molloy. If a competent, faithful officer is the thing desired, Mr. Molloy should be elected.

ACCORDING to the Gazette the representatives of 64,000,000 of people are waiting breathlessly to hear how less than 800 people are going to vote next Tuesday. The idea is too silly for serious consideration. We will wager that there is not a senator in Washington who knows whether Phoenix has an election at all or not.

THE Gazette's intimation that THE REPUBLICAN expected to receive pay from the campaign committee was probably prompted by a knowledge of its own intentions in the matter. Mr. Kellner purchased a block of stock in the Saturday Review's support was also to be secured. But the Gazette pocketed the money and the Review was left to support the ticket for patriotism only.

SIX YEARS ago the president and both branches of congress were Republican. Arizona was knocking for admission as a state. Gen. Wilson was the Republican candidate for congress and Mark Smith the Democratic. The election was not a local one, but embracing the whole territory. A few Republicans made the claim that Arizona ought to go Republican in order to gain admission, but the Democrats hooted at the idea and gave Mark Smith a big majority. As a matter of fact the claim made by the Republicans then was wholly for the purpose of catching votes, and the claim made by the Gazette that Phoenix in a local election must go Democratic now is of the same cheap class of political demagoguery.

THAT LETTER. The letter which the Gazette printed yesterday morning purporting to be from Mark Smith to M. E. Collins, was never received in Phoenix, but was written in the Gazette office for the sole purpose of defeating Mr. Monihon.

If a letter of that kind dated April 4, had been received by Mr. Collins why did he wait until after the Republican convention and until just a few days before the election before making it public? If Mr. Collins received that letter why did he not show it to Republicans before the ticket was nominated and why has he not since shown it to some supporter of Mr. Monihon?

The truth is Mr. Collins never received such a letter, and we are surprised that he permits the use of his name in such a manner.

No person in Phoenix has seen the letter, however, and no person believes that it was received or that Mark Smith would write such a letter.

Mr. Collins has heretofore been regarded as a Republican and that a Democratic delegate would write to a Republican for political information of the character alleged in the so-called letter is placing a very low estimate upon his political sagacity to say the least.

But even if Mark Smith did write that letter what does it signify? Smith has been in congress six years during all of which time Phoenix has been Democratic as well as the territory, and still he has failed to obtain statehood. Mark Smith's opinion is of no more weight with the people than that of any other demagogue whose principal occupation is to make promises. Smith's opinion of who ought to be elected mayor in Phoenix is of mighty little consequence to the people.

SURROUNDED BY MYSTERY! A Great Mistake. A recent discovery is that headache, dizziness, dullness, confusion of the mind, etc., are due to derangement of the nerve centers which supply the brain with nerve force; that indigestion, dyspepsia, neuralgia, wind in stomach, etc., arise from the derangement of the nerve centers supplying these organs with nerve fluid or force. This is likewise true of many diseases of the heart and lungs. The nerve system is like a telegraph system, and will be seen by the accompanying cut. The little white lines are the nerves which convey the nerve force from the nerve centers to every part of the body, just as the electric current is conveyed along the telegraph wires to every station, large or small. Ordinary physicians fail to regard this fact, and so fail to cure the cause of the disease, and the patient is obliged to take the medicine which they treat the part affected.

Franklin Miles, M. D., LL. B., the highly celebrated specialist and student of nervous diseases, and author of many noted treatises on the latter subject, long since realized the truth of the first statement, and his Restorative Nervine is prepared on that principle. Its success in curing all diseases arising from derangement of the nervous system is wonderful, as the thousands of unsolicited testimonials in possession of the company manufacturing the remedy amply prove.

Dr. Miles' Restorative Nervine is a reliable remedy for all nervous diseases, such as headache, nervous debility, prostration, sleeplessness, dizziness, hysteria, sexual debility, St. Vitus dance, epilepsy, etc. It is sold by all druggists on a positive guarantee, or sent direct by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, \$1 per bottle, six bottles for \$5, express prepaid.

Restorative Nervine positively contains no opiates or dangerous drugs.
