A TWO DOLLAR LECTURE. Horses Have Rights Bound to Be Respected.

John Flinn paid a \$2 livery bill in police court yesterday morning and received in return a lecture from Recorder Schwartz, based on that scriptural observation, "The merciful man is kind to his beast." Mr. Flinn is a non-resident of Phoenix. He came to town early Friday evening and latched his team in front of D. H. Burtis. What became of Mr. Flinn afterward or how he employed his time during the night was not disclosed. But the horses were in evidence all the time. They stood at that uncomfortable post and went through the night without wood or water.

Early in the morning an officer removed them and Flinn came around making inquiries. He was just the man the officer was looking for and that's the way he got into police court. Incidentally James Bird was sent to the calaboose for two days for drunkenness.

Contested School Elections.

A considerable part of County Superintendent Jordan's time was occupied yesterday in bringing order out of chaos into which many of the county school districts were plunged at the late election. In district No. 18 where there had been an irregular election, William Crismon, a former member of the board of trustees, was reappointed for three years. In district No. 14 two trustees, M. H. McCord and W. F. Mather, had been regularly elected, but there was doubt as to which was elected for the long term. Mr. McCord was appointed. Returns from district No. 16 show that J. P. Orme, J. A. Vinson and Wm. Green were elected.

"Good health," kept it by drinking the celebrated St. Louis A. B. C. Bohemian bottle beer made by the St. Louis American Brewing company. The best of hops and barley goes to make it, there is none like it.

Will of Chas. L. Squier.

The will of the late Chas. L. Squier was presented in probate court yesterday with a petition for letters testamentary to his widow who is named in the will as sole legatee and executrix with unrestricted powers. The will was made on February 21, some time previous to his marriage. The property bequeathed consists of a part ownership in a restaurant, bonds of the Orchard Grove Improvement company, real estate and personal property aggregating about \$1,200.

Good beer is the healthiest and most nourishing drink made. Its components, barley and Bohemian hops makes it so. The American Brewing company is making the St. Louis A. B. C. Bohemian bottled beer which has no equal anywhere. Try it.

Why is it so?

Why is the Simms addition bound to be the favorite high class residence district of the new Phoenix? Because it is just the right distance from town. Because it is laid out in lots, parks and avenues upon a plan that has every where proven a success. Because the perfect drainage, growing shade, fertile soil and abundance of water for drinking and irrigation all point to that destiny.

Dr. Ancil Martin, eye, ear, nose, throat and general surgery.
