HAS A WAY OF HIS OWN.

A Horse's Way of Betraying Dissatisfaction.

"Old George," a handsome iron gray horse, is a valued landmark at Albright's livery stable.

A color-d woman started out with Old George on Sunday morning. She plainly didn't understand him.

Blowing His Own Trumpet.

"Col. Simms can blow his trumpet just as loud as he can toot about his addition but the people will take no stock in it unless they see the buildings going up there."

Home Cast Cresting.

Persons thinking of building will find it to their advantage to examine the prices of cresting and sash weights which are cast at the Standard Iron Works, near the capitol grounds.

A RECORD-BREAKING CROP.

A Pleasing Problem in Percentage Offered.

The record has been broken in alfalfa growing. On the ranch of E. Anderson three and one-half miles out on the Black canyon road are forty acres of alfalfa which yielded at its first cutting this season 2 1/2 tons to the acre.

We've All Traveled With Him.

The porter had once been a porter on a Pullman sleeping car. He was a surly fellow; and I imagine that his former position was more congenial to him, since he enjoyed so many more opportunities to make his fellow creatures uncomfortable.

A Good Physician.

He is the best physician who takes advantage of any remedy that offers the right kind of relief. Some medicines relieve, but for the moment only. Their ultimate effect is to increase the suffering.
