HER FRIEND'S GOOD ADVICE

The Results Made This Newburg Lady Glad She Followed Suggestion.

Newburg, Ala.—"For more than a year," writes Myrtle Cothrum, of this place, "I suffered with terrible pains in my back and head. I had a sallow complexion, and my face was covered with pimples. Our family doctor only gave me temporary relief.

A friend of mine advised me to try Cardul, so I began taking it, at once, and with the best results, for I was cured after taking two bottles. My mother and my aunt have also used Cardul and were greatly benefited.

I shall always praise Cardul to sick and suffering women."

Cardul is a purely vegetable, perfectly harmless, tonic remedy for women, and will benefit young and old.

Its ingredients are mild herbs, having a gentle, tonic effect, on the womanly constitution.

Cardul has helped a million women back to health and strength. Have you tried it? If not, please do. It may be just what you need.

An Insurance Against Lung Trouble

The chest is one of the most sensitive parts of the body, owing to the fact that it perspires freely and in addition is seldom as well protected as the less sensitive parts. Those who are subject to colds or have weak lungs, should guard their body at this point. Now is the time to procure and begin to wear a chest protector, or good chamois vest. Changeable weather is as bad or worse than cold weather and it is important that the chest be protected at this season. Our line is ample for both ladies and gentlemen.
