

Dr. PRICE'S CREAM BAKING POWDER

**Pure—Wholesome—Reliable—
Indispensable**

Its fame is world-wide. Its superiority unquestioned. Its use is a protection against alum food. In buying baking powder examine the label carefully and be sure the powder is made from cream of tartar. Other kinds do not make the food healthful.

**Pure Food Demonstration,
A Treat for the Ladies**

Appreciating that mothers of the present day scrutinize the foods they put on their tables as they have never done before, and that they insist upon knowing beyond a question of a doubt as to the purity of the foods they give their families to eat; we are determined to provide such goods.

All day Tuesday, November 26th., in our grocery department, we will demonstrate the superior eating and tasting qualities of "Hunt's California Fruits," and "Empson's Colorado grown Vegetables."

We invite all the ladies to call and see this demonstration.

"The Proof of the pudding, is in the eating"
