

Costs Less Bakes Better

CALUMET BAKING POWDER

ECONOMY—that's one thing you are looking for in these days of high living cost—Calumet insures a wonderful saving in your baking. But it does more. It insures wholesome food, tasty food—uniformly raised food. Calumet is made right—to sell right—to bake right. Ask one of the millions of women who use it—or ask your grocer.

NEWBRO'S HERPICIDE

SAVES THE HAIR
And Keeps You Looking Young

Don't look older than you are. It is just as easy to look younger. While lack of hair or poor hair is not always an indication of age, it is frequently accepted as such.

A person well advanced in years possessing a good head of hair is always spoken of as "well preserved."

Everyone can retain beautiful, luxuriant hair if they make the effort. In almost every instance poor hair or the loss of hair may be traced to the activity of the dandruff germ. Newbro's Herpicide prevents the scale-like accumulation and puts the scalp in a perfectly healthy condition. With the elimination of the dandruff the hair no longer drops out. The itching of the scalp stops almost at once.

Newbro's Herpicide is the remedy for which there are many substitutes, preparations claimed to be "just as good." You don't have to accept a substitute. Insist upon having genuine Herpicide.

THE FOUR ARTISTS COMPANY.

One of the best musical attractions which are being offered to the Lyceum public this season is to be found in the Four Artists Company.

Frederick Kickbush, Jr., the baritone soloist, with this organization, has sung abroad extensively, as well as given recitals under the auspices of the musical clubs in Kansas City, Omaha, Milwaukee and other cities of the United States.

During Grover Cleveland's second administration Mr. Kickbush was appointed United States consul to Stettin, Germany, and was again appointed under the administration of President McKinley. While in Stettin he

took up voice at the Stettin Conservatory and also at the Royal Berlin Conservatory and was a pupil of Dr. Carl Pohl.

Madame Lillian Ringsdorf, prior to her work upon the Lyceum and Chautauqua platform, appeared in musical recitals in many of the large cities. For two seasons past she has appeared upon the Chautauqua in vocal solos, and last winter during the Lyceum season was with the Four Artists Company. She has a beautiful soprano voice and also receives great applause from the audiences.

Mr. Jacob Reuter, the well known violinist, is another member of this notable company. Mr. Reuter developed his musical talent at a very early age. At the age of nine he began his studies with Moebius, a pupil of Laird. At the end of two years' work he was heard in public in De Beriot's first concerto and created a sensation. He next studied with Emile Weinberg for four years and again came before the public at the age of fifteen.

Miss Van Hoose, the pianiste, is a cousin of Ellison Van Hoose, the great American tenor, and has played his accompaniments many times. Her home is in Michigan, but in addition to her studies in her native state, she also studied music in New York.

J. Hulton was run over on the Naco road near Bisbee by an automobile and left to perish in the road. He was discovered later and taken to the A. & C. hospital.

Mrs. Anna Gould, who recently shot and killed her father at Clifton, was acquitted of the charge of murder by a jury last week. The killing proved to be in self defense.

NEWS FROM OVER THE STATE

A shepherd dog affected with rabies was killed last week at Williamson valley.

Captain H. G. Coykendall shot and killed a drunken Mexican who was running amuck at Parker, Arizona. The Mexican had fired at several people when Coykendall appeared on the scene at 200 yards distance, shot and instantly killed the Mexican. Coykendall was exonerated by the coroner's jury. He is a member of the National guard of Arizona, a crack shot and formerly a resident of Prescott.

Just Right for Backache and Rheumatism

Foley Kidney Pills are so thoroughly effective for backache, rheumatism, swollen, aching joints, kidney and bladder ailments that they are recommended everywhere. A. A. Jeffords, McGrew, Neb., says: "My druggist recommended Foley Kidney Pills for pains in my back, and before I finished one bottle, my old trouble entirely disappeared." YOU CAN'T EARN MONEY WHEN YOU'RE LAID UP

There are a lot of people in this town who cannot afford to be sick. Perhaps none of you feel that you can, but certainly some of you can't for as soon as you are sick, your wages stop and worry and debts begin to pile up. The sensible thing for you to do, as soon as you feel run down and worn out, no matter what the cause, is to take something just as quick as you can to build up strength and health. Make yourself more comfortable and provide against serious sickness.

We don't believe there is any other medicine made that will do as much towards saving your health and thus helping you save your money as Rexall Olive Oil Emulsion. It is a medicine that gets right at the trouble and relieves it by toning the nerves, enriching the blood, and giving new strength and health to the whole body. It doesn't do this by means of alcohol or habit-forming drugs, because it contains none. Its strength and health-giving power is due to pure Olive Oil and the Hypophosphites, long endorsed by successful physicians the one for its food value, the

other for its tonic value. Here for the first time, they are combined, and the result is a real nerve, blood and body-building medicine—a real strengthener that we are proud to tell you about. You don't need to hesitate in using it, because if it doesn't do all we say it will and satisfy you in every way, it will cost you nothing. If it doesn't make you strong and well again, come back and get your money. It will be given to you without word or question. TWO MAPS AND TWO METHODS

In the nine foreign countries shown on the map there is a total population of 214,878,502

More than one hundred times as many people as there are in the territory of your telephone company

Yet all nine of these countries could be laid down in your telephone company's territory, with several thousand miles to spare

Your telephone company operates 222,572 telephones in an area of 777,705 square miles

In these seven states there is one telephone to every eleven people.

In Europe there is only one telephone to every forty-three people.

In Europe the government owns the telephone companies

In the United States the telephone users, through their Public Utilities Commissions, control them
