Kansas City Market Letter

(By J. A. Riehart, Correspondent)

Kansas City Stock Yards, March 9, 1914. Killing cattle took on 10 to 15 cents added value last week, and stockers and feeders 10 to 25 cents. The fair run first half of the week was followed by very light runs, leaving buyers ready for action today. Receipts today are 10,000 head, market steady to strong, and active in the face of a heavy run and lower prices reported from Chicago. No strictly prime cattle are coming, though some near prime steers sold at 9.25 last week, good to choice steers selling at 8.70 to 9.00, top today 8.85. Weight is growing in popularity with buyers, as weighty animals become scarce, and feeders are demonished that it will pay to put extra pounds on cattle that are doing well, as weight will be worth a premium from this time on. Colorado and Northwest contributed considerable beef last week, largely steers weighing from 1050 to 1250 pounds which sold at a range of 7.45 to 8.40, bulls 6.50 to 7.15, and cows 6.25 to 6.90. The supply of hay and pulp fed stuff is light today, and quality is plain, sales at 7.65 to 7.80. Quarantine receipts were very light last week, leading to the conclusion that meal fed cattle have about all been marketed. Twenty cars of quarantines came in today, including some good

1230 to 1250 pound steers, at 8.00 to 8.25, odd cows 7.25, best prices paid for quarantines in two or three weeks. Middle class quarantine steers ranged from 6.90 to 7.50, including yearlings. Twelve thousand stockers and feeders were brought here last week, two thousand more than same week last year. Demand is strong, and the market feels the benefit of approaching warm days. Sales are stronger today, stockers at 6.75 to 8.65, feeders 7.25 to 7.85, stock calves around 8.00.

The hog market changes repeatedly, with the advantage slightly in favor of buyers last week. Receipts are 5000 today prices 5 to 10 higher, top 8.65, bulk 8.40 to 8.60. Packers are determined in their fight against prices, but a good order buying trade prevents them from breaking the market. Quality is good, and weights average 193 pounds, about 18 pounds lighter than a year ago.

Sheep and lambs displayed weakness most of last week, with a strong finish Friday. Receipts today were a third less than the estimate, only 6000 arriving, and prices are 15 to 20 cents higher. Colorado and western lambs sold at 7.65 to 7.80, including some from the Platte Valley, Wyoming, at the former price, yearlings sold up to 6.80, wethers 6.00, ewes 5.75. A few goats sold around 4.25 last week, and some Mexican wethers recently at 5.85.

WE HAVE FAITH IN THIS STOMACH REMEDY

A woman customer said to us the other day, "Say, you ought to tell everyone in town about Rexall Dyspepsia Tablets. I would myself if I could." That sets us to thinking. So many people have used them and have so enthusiastically sounded their praise both to us and their friends, that we had an idea you all knew about them. But, in the chance that some of you who suffer from indigestion, heartburn, dyspepsia, or some other stomach complaint, don't know about them—we are writing this.

They contain Bismuth and Pepsin, two of the greatest digestive aids known to medical science. They soothe and comfort the stomach, promote the secretion of gastric juice, help to quickly digest the food and convert it into rich, red blood, and improve the action of the bowels. We believe them to be the best remedy made for indigestion and dyspepsia. We certainly wouldn't offer them to you entirely at our risk unless we felt sure they would do you a lot of good. If Rexall Dyspepsia Tablets do not relieve your indigestion check the heartburn, and make it possible for you to eat what you like whenever you like, come back and get your money.

Sold only at the more than 7,000 Rexall Stores, and in this town at our store. Three sizes, 25c, 50c, and \$1. Will Marlar Pharmacy.—Adv.

Chronic Stomach Trouble Cured

There is nothing more discouraging than a chronic disorder of the stomach. Is it not surprising that many suffer for years with such an ailment when a permanent cure is within their reach and may be had for a trifle? "About one year ago," says P. H. Beck, of Wakelee, Mich., "I bought a package of Chamberlain's Tablets, and since using them I have felt perfectly well. I had previously used any number of different medicines, but none of them were of any lasting benefit." For sale by all Druggists.—Advertisement.
