SCHOOL BOARD ELECTION AT MESA SATURDAY

Warner Allen Slated to Succeed J. W. Lesueur Who Refuses to Reenter Race

The annual election of trustees of District Number 4 and of the Board of Education of the Union High School District will take place on Saturday of this week.

There will be two vacancies to fill on the Board of Education, one within District Number 4 and the other without the district. Dr. Drane, who is the present incumbent, is being groomed for reelection, just whether he can be induced to retain the position has not been learned. It is argued that the doctor is a very painstaking member of the board and that in the expenditure of the large sum of money that will naturally be expended in the erection of the new High School buildings, that he should continue as a member at least until the buildings are completed. The other member of the board is to be elected from without the boundaries of District Number 4, to fill the position formerly held by M. O. Swallow.

Warner Allen has been slated to take the place of J. W. Lesueur, the present member of the Board of Trustees of District Number Four, who absolutely refuses to consider reelection. Mr. Lesueur has made a very efficient member of the board and he has been importuned to retain the office until the new Grammar School buildings contemplated were finished, but he feels that his business interests demand his time and that he has performed his public duty to the patrons of the district.

BEAU-NOTS ENTERTAIN

Tempe's set of Beau-Notes (in name only, however), very pleasantly entertained at the home of Miss Rhoda Strong on Saturday evening in honor of some thirty-odd guests. The occasion was a truly enjoyable one and will long be remembered by those in attendance. Games, dancing and card playing contributed to the amusement of the evening, followed with the serving of light refreshments along about the wee small hours of yesterday morning. The Beau-Notes have gained a name for entertaining that is here to stick just as long as the club exists.

LECTURES TODAY

Dan Crawford, the Central Africa explorer and missionary, will deliver his second and final lecture in Tempe this afternoon at 4 o'clock at the normal auditorium. Admission is free and everybody is cordially invited to attend.

CHURCH AT CHANDLER

Rev. R. E. Dunlap, pastor of the Christian church in Tempe, paid a visit to Chandler last evening where he is now engaged in the organization of a church for the benefit of the residents of that thriving little town. Starting last evening, Rev. Dunlap will conduct nightly services at Chandler through this week, and if the attendance warrants it they will be continued indefinitely. His subject theme last evening was "The Bible, the Word of God." Rev. Mr. Dunlap met with the good fortune of securing aid from the state missionary society in organizing the church, so that his efforts are now well near to perfection.

TWAS ALL IN VAIN

Constable R. C. Estrada returned Saturday evening from Florence, Hayden, Winkelman and Kelvin, where he went the day previous in search of a Mexican fugitive from justice wanted here for wife desertion. The Mexican had been in that locality at one time, all right, but beat Estrada by a few hours, leaving Florence for Tucson by auto, while the constable was instituting a search for him at Winkelman and Hayden.

JOHNSTON-HOLMESLY NUPTIALS AT TEMPE

Prettily Appointed Affair at Denver Holmesly Residence in Tempe

A wedding of no little interest to local and Scottsdale residents, took place Saturday evening at the home of Mr. and Mrs. Denver Holmesly, a mile southeast of Tempe, when their daughter, Miss Hallie, was united in marriage to John R. Johnston of Scottsdale. The ceremony was performed at eight o'clock, in the presence of some forty or fifty friends and relatives of the contracting parties. Rev. R. E. Dunlap, pastor of the Christian church in Tempe officiated.

The full evening's program was unusually well appointed. The home was very prettily decorated in orange blossom and in one corner of the parlor hung an immense bell. Under this, promptly at eight, to the tune of the wedding march played by Miss Winnie Wickliffe, a close friend of the bride, the couple took their stand. The bride was attended by Miss Beulah Sturgeon, the groom by his brother.

The wedding was not sprung as a complete surprise, for during the past few months, several affairs in honor of the bride have been given, one a linen shower and a second a cut glass and china shower. Both were exceedingly brilliant affairs. Gifts to the young couple were many and beautiful.

Mrs. Johnston is the only daughter of Mr. and Mrs. Denver Holmesly of Tempe, and has made this her home from early childhood. She is a graduate from the Tempe Normal School, but in preference to teaching, also concluded the commercial course at the Tempe High.

The groom has made the valley his residence for a number of years and is now permanently located on some promising ranch land near Scottsdale. Mr. and Mrs. Johnston will be at home to their friends on the groom's ranch near Scottsdale.

Dan Crawford, the famous African traveler and explorer who spent twenty three years in the heart of the dark continent, will be at the High School assembly room this afternoon at 1 o'clock, where he will deliver a free lecture. He is heralded as an entertainer of ability and no doubt on account of his stay in the wilds, will be heard by an interested and appreciative audience.

RECITAL MARCH 27th
The stake primary is making arrangements to give a recital at the tabernacle on Friday evening of this week.

TO AUDITORS OFFICE
C. M. Taylor, with the local office of the Arizona & Eastern, a refugee from Mexico, left for Tucson yesterday.

C. M. Taylor, who for the past several months has been connected with the local office of the Arizona & Eastern and who was transferred yesterday to the auditors office at Tucson, is a firm believer in intervention with Mexico. He is of the opinion that the trouble will never cease until the United States interferes and takes a hand in the fray. Mr. Taylor is in a position to know the inner workings of the Mexican affairs. He has traveled across the republic from the Arizona line to the Isthmus of Tehuantepec astride a mule. The journey required three years. The destination at the outset was the Isthmus of Panama but when Tehuantepec was reached, he was stricken with fever where he remained in a hospital six months. Not only did he penetrate the heart of the republic on his trip, but he came in contact with people who had never seen a white man and in many instances he has seen them prostrate themselves upon the ground before him in an attempt to do him the greatest honor they knew how to bestow. It is with this knowledge of the real Mexican people that he possesses that leads him to believe that some outside country will have to interfere before peace will ever be satisfactorily established.

MESA VS LEHI
The Mesa Seventh Grade team won from the Lehi Seventh Grade Saturday by a score of 12 to 6. Diehl the Mesa pitcher, carried off the honors. He was credited with five strike-outs and a three bagger. The Mesa battery, Diehl and Kelsor; Lehi, Jones and Smith.

Score by innings:
Mesa.....3 2 0 3 0 2 0 1 1
Lehi.....0 2 1 0 2 0 0 1 0

Do you remember those good old days when the colored people would hold a real old-fashioned camp meeting in the grove, and how all the white folks would "gather round" to hear the genuine plantation melodies sung only

as the "Darky" can sing them? The famous "Nashville Students" will bring back those days, and take you way down South. Their fantastic dances, done as the negro alone can do them, their quaint but tuneful songs, their plantation acts and their mimicry will be done exactly as the real negro does them, and all that means two solid hours of wholesome and invigorating fun and amusement. The Nashville Students will be here next Tuesday night at the Mesa Opera House.

Benson Budget

(Special to The Republican)
BENSON, March 21.—Professor Mowery's son, a lad about 12 years of age, had his leg broken at school on Friday playing baseball. It is said the boys were using a basketball but it was not explained how this caused the accident. Another boy, a Mexican about the same age, was struck by Chas. Moss's automobile and was badly hurt with a large gash cut under his eye. The school children have no room in the school yard to play so they have to play in the street and this is a source of great annoyance to auto drivers for many of the boys will stand right in front of a machine or attempt to run across the street in front of them as they are passing. It is said that no blame can be attached to Mr. Moss. While this accident is to be regretted, it is hoped that it will make the boys more careful in the future.

We have just had delightful rains, stock men say that the range is in better shape now than they have been for many years.
