WILD CAYUSES GATHERED FOR PRESCOTT BUSTERS

Best Buckers in West Coming to Unseat Skillful Twisters Frontier Day—Program is Now Made Up for July 4

(Special to The Republican)
 PRESCOTT, June 16.—To give every facility to the great riders who will contest in the world's champion broncho busting contest, at Prescott, Frontier days, July 3-4-5-6, 1914, about forty of the most vicious outlaw horses procurable in the entire west, will be on hand in the corral at the fair grounds long before the first contest is called. Among the horses of international reputation already on feed at Prescott are: Big Sid, Black Jack, Vinegar Run, John Cantrell, Scaffold, and the notorious Black Jack who threw nearly all the world's best riders at the great Dewey, Muskogee, Pendleton and Calgary contests. This horse has very seldom failed to disqualify his rider. He disqualified twenty-three in succession at Dewey alone in the course of one contest. Boys who have entered for this event are entitled to come down to Prescott and try their luck and outsiders will be given the preference over the Yavapai cowboys as to the order in which they will be accommodated. This will be a contest for plucky expert men and will bring out some of the best skill in the country.
 It is estimated that at least 3,000 people will visit Prescott during the Frontier days outside of the Yavapai county visitors.
 Quite as powerful an incentive as the wild west sports will be the great automobile road race twice around the Prescott outer loop, a distance of about 84 miles, which will be run early on the morning of

July 6, under the auspices and rules of the A. A. A. for cash prizes of \$1,000 and \$200. Over ten entries are in already for this race.
 Phoenix and Prescott Motorcycle clubs have pooled handsome purses for two races on chug bikes, one Phoenix to Prescott to be run on the morning of July 3, and the other around the Prescott loop, Sunday morning, July 5. Prizes aggregate \$300.
 Following is a tentative line-up of Frontier Days program:

U. S. POLOISTS LOSE TROPHY ON PENALTIES

British Four Almost Succumb to Fierce Attack of Cup Defenders, But Over-anxiety Causes 2 1/2 Points Penalty
 (Associated Press Dispatch)
 MEADOWBROOK (CLUB, WEST-BURY, L. I., June 16.—The international polo cup, emblematic of the world's championships, will cross the ocean again, won by the English team in the second game of the series with United States, 4 to 2-4.
 Although the American defenders made a desperate best ditch stand, they were not quite equal to winning, however, their thrilling rushes in the closing minutes of the struggle aroused the forty thousand spectators to a frenzy. When the eighth and final period opened, the American four was leading by a fraction of a point, but despite their desperate efforts they could not hold their advantage. Each team scored a goal in this period, but the defenders in their anxiety to clinch the victory transgressed the rules by sharp crossing and were penalized for fouling.
 The trophy was regained from England in 1899 and goes abroad as a result of today's defeat. Outplayed and utterly routed in the opening contest, when they went down to an 8-1-2-2 defeat, the Americans came back in surprising form, scored an equal number of goals to those made by the winners. It was the desperate style of their play, and the lack of perfect teamwork that finally wrought their downfall, as they lost in penalties of 2 1/2 points out of a gross total of five, while the English were penalized but one point, retaining four of their five goals.
TRANSFERRED TO COUNTY JAIL
 Mrs. Laura Lawler, who was arrested late Monday night following a cutting scrape at the Polk Rooming house, was transferred to the county jail yesterday from the city jail and is now awaiting an examining trial at the hands of Judge Johnson. It is possible that the preliminary examination will take place today.

PHOENIX M. C. GUARANTEE FOR PRESCOTT RACE

With a great deal of regret, the competition committee of the motorcycle club thrust its octopus like mitt into the club treasury, extracted therefrom the sum of one hundred dollars, and then pledged itself to make two races where only one grew before. Some of the members of the club hardly believing that the committee would keep its word and pull a reimbursing contest at the state fair track after the Phoenix-Prescott road race of July 4, objected to the purse strings being opened until the larger coast to Phoenix race starts next fall.
 After a good deal of argument, the financial arrangements were settled. The competition committee members, B. L. Roderow and Harry Lane will leave Saturday morning on a preparatory tour to Prescott. It is their purpose to track somebody down to a fixed point in each village and hamlet on the road to the mile high city, fasten a pad and pencil nearby, and call the checking force complete. According to rules framed by the committee, the Prescott club is to handle the entire Prescott end, while the Phoenix club does the managing from this end, as well as the naming of starter, timers and the checkers.
 Phoenix will send Bar John Holt after a sanction, and now that the coin is available for the guarantee, the committee will start vigorous preparations for the event.
 The following will be of interest to all riders and club members:
Phoenix to Prescott Motorcycle Road Race Rules.
 (1) This race shall be known as "The Phoenix to Prescott Motorcycle Road Race" and shall be held under a sanction from the F. A. M.
 (2) It shall be held by the Phoenix Motorcycle Club, of Phoenix, Ariz., and the Yavapai Motorcycle Club of Prescott, Arizona; the Phoenix Motorcycle Club to contribute one hundred dollars for prize money and the Y. M. C. to contribute one hundred fifty dollars for prize money. This purse of two hundred fifty dollars shall be divided into four parts: viz.—First prize, \$100.00; second prize, \$75.00; third prize, \$50.00 fourth prize, \$25.00.

SPORT COMMENT

That was a hot game Sunday. We have just recovered sufficiently to say it. Catcher Kid Jenkins showed it most of all—even more than did T. Hudson. Perhaps we better not say anything about T. Hudson—he's threatened to swim on our law.
 But he pulled one base running skull, anyhow. He ought to have been content with TWO stolen bases, darn him!
 Which would you rather do or go fishing?
 G. Purdy Bullard has furnished us with material for a treatise on philosophy. Appearing on the streets of Phoenix yesterday, with his right hand swathed in clean, neat, white bandages, and suspended across his bosom with an equally clean, neat, white sling, our diligent little attorney general began answering questions. Soon he lost track of every thing but explanations. A chap would say "Hello, Purdy," and Purdy would launch forth into the following:
 "Cut my hand putting on a tire. Covered up the wound, and doctor thinks it better be tended to or I'll get blood poisoning."
 Some men cover up a craggy, threatening and altogether unlovely forehead with a pair of goggles, absentedly shoved up. Women use wide bands of their own and others' hair for the same purpose.
 The world will forgive grease—if it can be shown 'tis automobile grease. And
 The world can sympathize with a man whether he gets his wrist broken cranking an automobile or cuts his hand on a tire tool.
 Otherwise it's tendency is to laugh.
 Dear reader, do you know why some young chaps should perspire themselves into a paste, and perhaps undergo a lot of mental ills in addition, simply that some other equally hard-working young chaps may get a chance to ride fast motorcycles to Prescott? Neither do we.
 But they do it, and seem to find a lot of fun. Here's peace to them some day. We know it won't come soon!
 Gee! This dual personality stuff is great!
