CONSIDER PLAN TO AID EXPATRIATE BELGIANS

Board of Trade Committee Will Take Up Proposition With State—May Get Many Good Farmers

To get the state to donate ten thousand acres of public land for the use of expatriate Belgians, is the purpose of the board of trade's special committee which meets at four o'clock this afternoon.

The committee is composed of R. A. Fowler, C. H. Akers, Sid Osborn, Mulford Winsor, Dwight B. Heard, J. O. Dunbar.

Thousands of Belgians are now without homes or means of support, their farms being devastated by the invading Germans. Other organizations have offered them financial support and the Red Cross is getting a tremendous popular reply to its appeals.

WHAT CATLIN DID WITH BUICK ON HIGH GEAR

W. W. Catlin, Jr., state distributor for the Buick automobile, expects to depart for his home at Phoenix today after having spent his time since Saturday demonstrating the 1915 model Buick here, says the Globe Record.

The new model engine in the 1915 Buick is a wonderful puller, as was shown by various demonstrations given by Mr. Catlin here. In addition to having come over the summit in high gear, the automobile man took a party of local experts out in his car and did a number of stunts on Golden Hill.

What Mr. Catlin considered his greatest feat here was running up the Sycamore street hill in high gear. He declares that the grade there is much harder to pull than that on Golden Hill.
