COMPETITION IN HOME PRODUCTS

To stimulate the growth in vegetable raising, and interest the gardeners undertaking such crops, and at the same time afford a center place where the thousands of visitors as well as towns people may see the best that grows in the rich lands surrounding Phoenix, the Greene and Griffin Co. have agreed to place their windows at the disposal of the farmers of the Salt River Valley.

As an added inducement 3 prizes of \$1.00 each, for such products as are reasonable will be offered. This week lettuce, asparagus and cauliflower will be the vegetables for which prizes will be given. The farmers themselves will be the judges and the contest closes every Saturday morning at 11:30. This day being the most convenient for the farmers to come to the city. All exhibitors are likewise asked to bring their displays on that morning.

This movement is in sympathy with the meeting called at the Chamber of Commerce for the purpose of interesting Phoenixians in home grown products.

TO PAY TRIBUTE TO MEMORY OF LINCOLN

President Issues Order to Observe Fiftieth Anniversary of Ex-President's Death

[ASSOCIATED PRESS DISPATCH] WASHINGTON, April 12.—The president signed tonight an executive order providing that fitting observance be given the anniversary of the death of Abraham Lincoln who died fifty years ago Thursday. The president's executive order follows:

"As an evidence of the profound affection of the American people for the memory of Abraham Lincoln, it is hereby ordered that the executive offices of the United States be closed, that the national flag be displayed at half mast upon all federal buildings, all forts, military posts, naval stations and on all vessels of the United States and that representatives of the United States in foreign countries shall in like manner pay appropriate tribute to his memory, on Thursday, April 15, the fiftieth anniversary of his death.

"Owners and sailors of all merchant ships of the United States are requested similarly to display the national flag at half-mast.

"WOODROW WILSON."

FINANCES AND MARKETS

[ASSOCIATED PRESS DISPATCH] NEW YORK, April 12.—Wild and active speculation in securities was resumed under lead of Bethlehem Steel which rose and fell within the range of 32 points, and closed with a net gain of exactly one point. Its high price of 155 was recorded midway of the afternoon. All branches of the stock list which moved forward were more or less upset by the severe break, some leading issues yielding more than their gains and closing with net losses. But for the inexplicable movement of Bethlehem Steel the average closing prices would have been the highest for the current movement inasmuch as Union Pacific, the Hill Group, St. Paul, Amalgamated copper and the potential issues were one time well above their record levels of last Saturday. Coppers held more steady than any other division on the list and their improvement was sustained by another advance in selling price on the refined metal. Foreign exchanges reflected the sudden rates between this market and Europe, marks the falling to the lowest quotation since the outbreak of the war. Total sales of stocks amounted to \$1,000,065. The bond division moved contrarily the greater part of the session. Total sales represented par value of \$3,184,000. United States bonds were unchanged on call.

LOCKWOOD REVERSED

(Continued from Page One)

The decision which is an able composition of 39 pages by Judge Franklin, closes with these paragraphs: "The appellant's rights are cognizable only in equity and the subject matter of this suit being immovably fixed within this jurisdiction, the courts of this state are not powerless to proceed by reason of the non-residence of the appellee. "Recognizing the power of the legislature of this state, by virtue of the location within its boundaries of the property, which is the subject matter of the action, to enable its courts to take jurisdiction upon constructive service of process against the non-resident defendant, and the object of the suit being to establish an ownership of said property, we are of the opinion the judgment of the superior court is erroneous."
