

THOMAS RAKES

Are just a little different than any other rake made. They are made of the best and heaviest material obtainable. All cast parts being made of malleable iron and the head of angle steel. The teeth are extra heavy and are made from crucible steel, oil tempered. The dumping arrangement is unique. A letter, phone call or personal visit from you will give you a practical demonstration of this rake.

3 WEEKLY PRIZES

Help us to show Phoenix and our visitors the superior products of Salt River Valley ranchers. Three prizes of \$100 each will be paid weekly for the best sample of home-grown products to be displayed in our window. Prizes this week will be paid for the largest and best specimens of Cauliflower, Lettuce and Asparagus brought to this office before 11:30 Saturday morning.

Phone 709 Greene & Griffin 127 N. Central Ave.
