

If You Have to Have it, why not Get it Now and Make a Big Saving?

This can be easily done if you are contemplating the purchase of an engine. Because we are selling out our entire stock of I. H. C. Engines at cost. Think of it. We are doing this because we are the state jobbing distributors of the I. H. C. Engines and feel that all of our time and energy must be devoted to one line. Another reason is that stock room must be made very quickly to make room for a carload of I. H. C. Engines en route from the factory. We are therefore offering all of our I. H. C. engines at the cost price and with every one sold goes our regular guarantee. Again we reiterate "If you have to have it get it now and make your big saving."

GLENDALE. GLENDALE BANK. CHANGES HANDS. One of the most important transactions made in Glendale in recent years was consummated last week when the Glendale State Bank changed ownership. This transaction is one of importance in more ways than the mere fact of a business institution being transferred from one person to another. It means that new people and new capital are added to the community's wealth.

GLENDALE BANK. Some stand higher for enjoy a greater degree of respect and confidence in the community than C. H. Tanker and J. W. Deever, the retiring owners, and the news of the transfer would be received with regret but for the fact that these men with their families will continue to reside in the city and continue to make an active part in the welfare and progress of the city as heretofore. Thus it is a gain of both capital and citizens is our good fortune, and not an exchange of one good citizen for another.

GLENDALE BANK. Charles Spencer, W. P. Dunn and O. M. Spencer, who, with others, are the new owners, are men of wide practical experience in the banking and business world and are well qualified in every respect to successfully conduct the affairs of the city's most important institution.

GLENDALE BANK. Mr. Charles Spencer, who will serve the bank in the capacity of president, came from Chattanooga, Tenn. Mr. Dunn, who is vice-president, is at this time and for some time past has been cashier of the Commercial Bank of Parker, Arizona.

LOCAL LIVE STOCK MARKET. Few people realize or appreciate the fact that Glendale supports as good a live stock market as can be found in the valley. This could not have been said two years ago.

LOCAL LIVE STOCK MARKET. There are a number of people about Glendale who buy more or less live stock, paying cash, but Simple & More of the City Meat Market, have developed this particular feature of the business into today buying and shipping of all kinds of live stock has become the big end of their operations.

LOCAL LIVE STOCK MARKET. Commenting the other day upon the live stock market, Roy Sample remarked that although his firm had paid to people in and about Glendale since the first of the present year, more than \$25,000.00 for hogs alone, yet they had not been able to supply the demands. He said he could ship three cars of hogs every week if he could get them in proper condition.

LOCAL LIVE STOCK MARKET. They have also paid large sums for other fat stock, but no other one kind equals the hog.

FLATRONS GO TO SCRAP HEAP. In one eastern city more than 15,000 electric flatirons are now in service in private families. Not only do these new electric irons save an enormous amount of labor but they have relegated 125 tons of old flatirons to the junk heap. Every electric iron displaces at least three old fashioned irons, because two irons had to be kept on the fire heating while one was being used. Forty-five thousand displaced sad-irons would weight 270,000 tons.

FLATRONS GO TO SCRAP HEAP. An engineer has figured out that substitution of an electric laundry iron for three "sad" irons saves for the woman, who has made the change, 200 miles in a year walking to and fro in a beaten path between the ironing board and the range.

I USE "TIZ" FOR SORE, TIRED FEET. "TIZ" for puffed-up, aching, sweaty, calloused feet and corns. "TIZ" makes my feet smaller.

"TIZ" draws out all the poisonous exudations which puff up the feet—the only remedy that does. Use "TIZ" and wear smaller shoes. Ah, how comfortable your feet will feel. "TIZ" is a delight. "TIZ" is harmless.

Get a 25 cent box of "TIZ" now at any drugstore or department store. Don't suffer. Have good feet, glad feet, feet that never smell, never hurt, never get tired. A year's foot comfort guaranteed or money refunded.
