As part of the preparation for the the Sells Summer recreational program, fifty teenagers met on Tuesday night, June 1st, at the Sells Community building. Square dancing was led by Mr. James Nagar, President of the Square dance callers club of Tucson, Bud Keller and Mr. Kidwell, also of this club. Ballroom dancing, games and refreshments were all a part of the program. Also, plans were made for this group to meet on Thursday, June 10 in the evening at the same place, to make final plans for their summer activities. The most attractive note of the evening was the way refreshments were served. Our young ladies coyly beamed as they sat in their chairs and waited for the gentlemen to bring cake and punch to them. In very short minutes, all the girls in the hall had been looked after by the Sells gentlemen.

I am sorry that I do not have the names of many Papago boys and girls that graduated from high school this year from off the reservation. here are a few:
