### NEW TREATMENT FOR YELLOW METAL

#### EXPERIMENT TO BE MADE BY A YAVAPAI COUNTY MINING CORPORATION

PRESCOTT, Nov. 3.—E. H. Burmeister has returned from the Cherry Creek district, where he shipped a carload of ore to Milwaukee, Wisconsin. There it will be treated by a new process invented by Charles T. Snedekor, who recently made an expert examination of the properties. The ore was taken from the Lohorn and Bugler mines. When the carload reaches Kansas City, Burmeister will leave here for Milwaukee to see it treated by Snedekor. Snedekor's report to the management of the mine is flattering. He found a large tonnage of ore blocked out and ready for stopping and is of the opinion that his new mill is adapted to the economic treatment of the ores of the seventeen claims comprising the group. Burmeister and his associates on the board of directors of the company have under consideration the installation of mills at the Lohorn and Bugler mines. Several tests will be made to decide the character of plant best suited to the economic treatment of the ores. Operations of the company are now confined to the annual assessment work on the claims, pending the decision of the directorate on the mills to be installed.

### ARIZONA NEWS AND COMMENT

Real estate dealers, architects and contractors of Tucson predict a big building boom for that city this fall. The great activity at present evident in the Globe mining district is making itself felt all over the country, and territorial newspapers devote more space to Globe mining news than to any other district. Machinery for Tucson's new brewery is arriving daily and work on the plant is progressing very satisfactorily. Many Arizona horses are entered in the events at the big race meet being held in El Paso this week. The Phoenix Choral society is rehearsing for the production of Handel's masterpiece, "The Messiah," which will be presented Christmas night. The Phoenix High School beat the Tempe Normals in their track meet Saturday by a score of 61½ points to 58½ points. The territorial fair management is devoting special attention to the poultry exhibit and calls on all fowl fanciers to get in early with their prize chickens. Mrs. J. M. Jamison, an aged and well known resident of Phoenix, died at her home Saturday afternoon of heart trouble. Kelly & Gamble's stock company opened the Third avenue theatre in Phoenix last evening. Barney Bond is here from Globe visiting friends and relatives.—Phoenix Republican. News from eastern trade centers is that the electrical business is exper-

#### NOTORIOUS "A No. 1" PAYS BISHOP CAMP HIS FIRST VISIT—LEADS NOMAD LIFE

BISBEE, Nov. 3.—An individual styling himself as a tramp, who had put his peculiar line of endeavor among the fine arts, was in Bisbee last night. "A No. 1" is the only name by which he is known. He has received notices in all the leading newspapers of the United States and is personally known to all the high officials of the big railroads. "A No. 1" made his headquarters at the Copper Queen hotel, but slept on the floor of the Review press room last night. When he is forced to rent a room he always sleeps on the floor. This "gentleman of the tramp world" came in yesterday on the passenger train from Benson. Of course he didn't pay fare. Nothing would be more abhorrent to him. He boasts that in traveling a little over 500,000 miles he has spent but a little over \$7 for car fare. "A No. 1" is a short, stout, neat appearing sort of a fellow who is as felicitous as an old maid. He can never be still for a minute, and talks as fast as some of the trains he rides on. He will leave here this morning, and will go on the passenger. He says freights are too slow. After reaching El Paso he will make a trip to the City of Mexico. In the last twenty-five years this restless wanderer has covered 457,603 miles, and in the past year he has traveled, up to the time he reached Bisbee, 10,998 miles. He hopes to make it a million before he is killed, but admits that the chances favor the latter. Wherever he goes "A No. 1" leaves his mark, and it will be found in numerous places in Bisbee, so he asserted. It consists of his name, the date, and an arrow beneath. The mark is familiar to Weary Willies the world over. He makes his living by selling a book giving a short sketch of his life, leaving it on sale at every point he visits. He travels in overalls and jumpers, but after arriving in a town divests himself of these and appears in a neat brown suit, is always clean shaven and has a very prosperous appearance. He has a profession, which is carving potatoes, and in this he has no equal. Hundreds of times he has carved faces for persons in return for small favors. He also is a wood carver of ability. A Broken Back That pain in your back caused by lumbago, stiff muscles or a strain is an easy thing to get rid of. Ballard's Snow Liniment cures rheumatism, lumbago, sore and stiff muscles, strains, sprains, cuts, burns, bruises, scalds and all aches and pains. You need a bottle in your house. Sold by Palace Pharmacy. Private dancing class now open. Tuesdays and Thursdays. Maurel Hill. Phone 1935. How to Treat a Sprain Sprains, swellings and lameness are promptly relieved by Chamberlain's Liniment. ### SIDNEY BIEBER WILL SUE STAR FOR LIBEL

#### TO ASK \$100,000 FROM KELLY PAPER FOR DEFAMATION OF CHARACTER

TUCSON, Ariz., Nov. 3.—Sidney Bieber, republican national committeeman from the District of Columbia, who is at present in Arizona, will bring a suit for \$100,000 for libel against the Arizona Daily Star, according to a statement made by his counsel, Attorney George E. Tralles of this city. "The report that Mr. Bieber will bring a libel suit for \$100,000 against the Arizona Daily Star is true," said Mr. Tralles. "Mr. Bieber, who is at present in Bisbee, will be in Tucson tomorrow and on Monday his suit will be filed in the district court. "The suit will be based on editorial and news articles appearing in the Star, which scurrilously attacked Mr. Bieber." Bieber came to Arizona about three weeks ago to aid the republicans in their campaign in the territory. There appeared in the Star on Saturday, October 17, an editorial entitled, "Stand Up, Mr. Bieber," attacking the Washington man. According to Attorney Tralles, it is this editorial and several news articles about Bieber, that the libel suit will be based upon.
